**Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches?
Please provide details below – either of your activities or your reasons for not undertaking involvement**

In the immediate future there will be no direct change to the facilities on offer to members of the public and users of the park, other than new signage replacing Swansea Council with Friends of Coed Gwilym Park, in actual fact local people will have more say in what they would like to see in the park due to the fact that they are represented on the committee and regular community meetings are held in the locality.

In the long-term, the addition of a new Community Club House is planned and funding has been secured pending the agreement of a lease. This new facility will significantly benefit the local community and encourage further usage for all. Consultation has been undertaken by the Friends of Coed Gwilym Park, as part of the funding application process. Over 800 people were consulted and the National Lottery have since granted funding to improve the park, through the construction of a new Community Club House.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

- a) Overall does the initiative support our Corporate Plan’s Well-being Objectives when considered together?
Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
Yes No
- c) Does the initiative apply each of the five ways of working?
Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
Yes No

Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes No **If yes, please provide details below**

Parks Operations currently undertake the maintenance of the park and have therefore been part of the discussions with the Friends of Coed Gwilym Park in relation to the lease of Coed Gwilym Park.

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

It is the Friends of Coed Gwilym Park's intention to take on the running, and enter into a 125 year lease for Coed Gwilym Park. Under the proposals, the Friends of Coed Gwilym Park will manage the park on very much a similar basis as the Council currently, and will upgrade the park and make relevant changes using a phased approach. The Friends of Coed Gwilym Park would work with other groups and stakeholders who regularly use the park, as a constituted group, who will be able to access grant funding for further improvements to the facility; for instance the development of a new Community Club House.

This proposal will not affect any groups/communities adversely, on the contrary it will address immediate needs expressed by the community by offering increased opportunities for engagement and improved facilities for all. The proposal also offers a sustainable approach to increasing participation in local decision-making, through the collaboration of local community groups in the day-to-day running of the park. This model places the well-being of local people at the heart of the decision-making process and focusses on ways in which to enhance Coed Gwilym Park for future generations. Through short-term and long-term plans the Friends of Coed Gwilym intend to encourage usage by groups of all protected characteristics, promoting access for all; free cultural events; community cohesion; sports and leisure facilities; outdoor pursuits and adventure play; physical recreation; wellbeing and environmental initiatives.
