

As we go into our 22nd year with the security of recently winning the tender to deliver the core preventative and outreach services in our Swansea centres worth over a million pound we are relieved that we have a future when we are needed more than ever.

As we watch our Brighter Futures team having a tremendous impact it is fantastic that we have a 3 year funding grant from The National Lottery Wales to develop this work. Our Inspiring Futures pilot has also achieved fantastic results despite having to start its life in lockdown and we are delighted to have secured funding from the Waterloo foundation to help this work reach further.

We pride ourselves in being passionate, creative and tenacious. We will take the last two decades and the lived experiences of working in our communities in a crisis to inspire people to believe and succeed in having the best possible life for themselves, their families and their communities.
