1. Introduction

- 1.1 Sections 38 to 43 of the Localism Act 2011 requires English and Welsh Local Authorities to produce and publish a Pay Policy Statement for each financial year, detailing:
- The Council's policies towards all aspects and elements of the remuneration of Chief Officers;
 - The approach to the publication of, and access to, information relating to all aspects of the remuneration of Chief Officers;
 - The Council's policy on the remuneration of its lowest paid employees (including the definition adopted and reasons for it);
 - The relationship between the remuneration of its Chief Officers and other employees.

- 1.2 This Pay Policy statement sets out the Council's approach to Pay Policy in accordance with the requirements for the financial year 2022/23.
- 1.3 This Pay Policy statement is appended as Appendix A.

2. Key Points of Consideration

- 2.1 The NJC Pay Award for 2021/22 remains under negotiation as at 9th February 2022 and a further updated statement will be presented on agreement of that Award.
- 2.2 The Statement reflects the 2021/22 Pay Award for Chief Executives and Chief Officers which has already been agreed.
- 2.3 The Statement includes reference to a minimum rate of pay of £10.00 per hour for our lower paid workers with effect from 1st April 2022.
- 2.4 Included in the Statement is a linked reference to the Council's Pensions Discretion Policy which has been updated and agreed in the Autumn of 2021.
- 2.5 This policy reflects the legal position with regard to the provision of exit payments.

3. Integrated Assessment Implications

- 3.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:
 - Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
 - Advance equality of opportunity between people who share a protected characteristic and those who do not.
 - Foster good relations between people who share a protected characteristic and those who do not.
 - Deliver better outcomes for those people who experience socio-economic disadvantage
 - Consider opportunities for people to use the Welsh language
 - Treat the Welsh language no less favourably than English.
 - Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.
- 3.2 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

3.3 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

4. Financial Implications

4.1 The costs arising from the Council's Pay Policy Statement are reflected in the 2022/2023 Budget.

5. Legal Implications

5.1 Under s 39(1) of the Localism Act 2011, the Council is required to approve its Pay Policy Statement by 31 March each year.
