#### 1. Introduction

- 1.1 The Scrutiny Programme Committee is responsible for the overall work programme, including the various informal scrutiny activities, and monitoring progress to ensure that the work is effective.
- 1.2 The Committee is also concerned about improving communication and public engagement and getting more coverage in the media so that the public are more aware of the work of scrutiny.
- 1.3 In order to provide 'headlines' from scrutiny activity and give the work of scrutiny greater visibility, both for council and public audience, a 'Scrutiny Dispatches' report is published.

## 2. Scrutiny Dispatches

- 2.1 The next report has been drafted for approval (**attached**). This can then be submitted to the next available Council meeting for discussion. Scrutiny Dispatches will also form part of the Scrutiny Annual Report.
- 2.2 'Scrutiny Dispatches' is intended to demonstrate scrutiny achievements and outcomes. It is effectively a regular report about impact and how scrutiny is making a difference, rather than a descriptive account of the scrutiny work programme and activities. The aim is to focus on and promote a small number of 'significant stories'. A chair's roundup is also featured to highlight other work.
- 2.3 This issue reflects on the final part of the 2021/22 municipal year, and features scrutiny of:
- Council Procurement
  - The Budget
  - Equalities
  - Tackling Poverty

The Chair's Roundup talks about progress with the Scrutiny Work Programme, Committee work plan, Regional Scrutiny and looks forward to the new Council year and scrutiny work programme.

- 2.4 As well as being a report to council the content will be shared more widely, with advice and support from the Council's Communications Team and utilising social media. This should help raise awareness of the work and impact of scrutiny, and hopefully encourage more public engagement and participation in scrutiny. It is anticipated that some of the impact stories within Scrutiny Dispatches will generate press releases.
- 2.5 In order to ensure that people are informed more generally about the work of scrutiny a monthly newsletter is also being produced. This is circulated via an email subscription (sign up via [www.swansea.gov.uk/scrutiny](http://www.swansea.gov.uk/scrutiny)), and includes details of:
- Topics being looked at by scrutiny
  - Progress with current activities
  - Forthcoming panel and working group meetings

## 3. Integrated Assessment Implications

- 3.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:
- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.

- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

3.1.1 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

3.1.2 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

3.2 There are no impact assessment implications associated with this report.
