*(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)*

The Flying Start settings are already in existence and support families and communities in our most deprived areas. These works seek to maintain and enhance the service provided to children, families and the communities.
