Outcome of Screening

Q8 Please describe the outcome of your screening below:

- **Summary of impacts identified and mitigation needed (Q2)**

- **Summary of involvement (Q3)**

The next phase of this work is consideration of new models of care required to support individuals and communities and this will involve consultation with individuals. Under the West Glamorgan Region, there are nine programmes of work that can take responsibility for their areas of work to look at where having a regional response would be beneficial. This work will be started as a matter of urgency, with the aim of establishing a sufficient and stable market that promotes outcomes for individuals and communities.

- **WFG considerations (Q4)**

The market stability report covers the long term implications, in line with the Wellbeing of Future Generations (Wales) Act 2015 as outlined below:

- Long term: Development of long term commissioning strategies to support local communities with their accommodation needs
- Integration: Development of care and support that is fit for the future of our local communities
- Involvement: Commissioning strategies will have involvement from individuals that require care and support at the moment and in the future, along with providers currently delivering services
- Collaboration: This is a regional piece of work, developed in collaboration with other RPB partners
- Prevention: Developing care and support to have the least restrictive option available when required, preventing the escalation into higher levels of support

- **Any risks identified (Q5)**

Further work around detailed planning and consultation will identify the risks that will need to be managed through this programme of work.

- **Cumulative impact (Q7)**

No impact as this report includes the data which will inform the subsequent plan for plugging any gaps in relation to accommodation in order to ensure sufficient and stable market that promotes outcomes for individuals and communities.
