- The Chair and Vice Chair of the Committee meet with the Group Leaders on an informal basis to monitor their compliance with the duty;
- A template report is drafted to be sent to Group Leaders to complete in terms of members of their group who have attended training (mandatory and recommended) and any steps they have taken during the year to promote high standards within their group.

1.2 A template attached at Appendix A has been drafted for consideration by the Committee as per the resolution above. Members are invited to consider and discuss with any additional information should be requested of Group Leaders.

## **2. Integrated Impact Assessment**

2.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage
- Consider opportunities for people to use the Welsh language
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

2.2 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

2.3 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

2.4 An IIA Screening Form has been completed with the agreed outcome that a full IIA report is not required as there are no integrated impact implications.
