- Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches?
Please provide details below – either of your activities or your reasons for not undertaking involvement**

Engagement/Consultation/Co-productive approaches not considered necessary. The changes are largely documenting much of what is undertaken in practice. Whilst the Local Authority has a general duty to keep land to which it is responsible (this includes the adopted carriageways/footways) clean and clear of litter and refuse so far as is practicable, there is no specific statutory duty to provide litter or dog bins.

- Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:**

- a) Overall does the initiative support our Corporate Plan's Well-being Objectives when considered together?
Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
Yes No
- c) Does the initiative apply each of the five ways of working?
Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
Yes No

-
- Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)**

High risk

Medium risk

Low risk

-
- Q6 Will this initiative have an impact (however minor) on any other Council service?**
 Yes No **If yes, please provide details below**

-
- Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?**
(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

No significant cumulative impact.

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)
- WFG considerations (Q4)
- Any risks identified (Q5)
- Cumulative impact (Q7)

This is a low risk proposal as it will deliver an improvement in service provision that should have a positive impact across the population. It has been consulted on and supports our ambitions with regard to the Well-being of Future Generations (Wales) Act 2015.
