1. Introduction

1.1 One of the most important roles that scrutiny carries out is holding the Council's Cabinet to account. The Cabinet (also known as the Executive) is made up of the Leader and other councillors, appointed by the Leader, who are allocated specific portfolio responsibilities.

1.2 There are 10 Cabinet portfolios:

	Cabinet Portfolio	Cabinet Member
1	Economy, Finance & Strategy (Leader of the Council)	Cllr Rob Stewart
2	Service Transformation (Deputy Leader)	Cllr Andrea Lewis
3	Corporate Services & Performance (Deputy Leader)	Cllr David Hopkins
4	Education & Learning	Cllr Robert Smith
5	Care Services	Cllr Louise Gibbard
6	Wellbeing	Cllr Alyson Pugh
7	Environment & Infrastructure	Cllr Andrew Stevens
8	Investment, Regeneration & Tourism	Cllr Robert Francis-Davies
9	Equalities & Culture	Cllr Elliott King
10	Community (Services) Community (Support)	Cllr Cyril Anderson Cllr Hayley Gwilliam

NOTE:

- The Community Portfolio operates under a job-sharing arrangement
- Detailed breakdown of Cabinet Portfolio Responsibilities are **attached** to this report.

- 1.3 By acting as a 'critical friend' scrutiny has the opportunity to challenge the Cabinet and individual Cabinet Members on their actions and performance in relation to their areas of responsibilities.
- 1.4 Rather than a look at overall responsibilities, the Committee has agreed to focus on specific areas of interest / concern, taking into account any gaps in the overall scrutiny work programme and ensuring good coverage of scrutiny across all cabinet portfolios.
- 1.5 The Committee should be mindful to avoid duplication of any issue(s) which are being examined elsewhere in the Scrutiny Work Programme e.g., within Performance Panels.

2. Discussion on Cabinet Member Portfolio Responsibilities

- 2.1 The following Cabinet Member will appear before the Committee:
- a) Councillor Cyril Anderson, Cabinet Member for Community (Services)
- 2.2 The Cabinet portfolio responsibilities that the Committee will focus on are:
- a) Fly Tipping

- 2.3 The Cabinet Member, will attend, along with lead officers who can assist the Committee, to report on aims / objectives, plans, and the delivery of work related to this portfolio responsibility and objectives. Cabinet Members will be invited to make introductory remarks before taking questions from the Committee.
- 2.4 The Cabinet Member has provided a report on the portfolio responsibility under discussion to help the Committee focus the discussion and questions - see **Appendix 2**.

3. Approach to Questions

- 3.1 The session should provide Committee members with a greater understanding of what the specific responsibilities entail, resources, priorities/objectives/commitments, key activities & headlines/achievements, performance measures, and overall assessment of service health (including, for example, how we compare with others, challenges / risks) and improvement/impact/difference made. This will give the Committee the chance to ask focused questions and provide challenge on actions and performance in relation to these areas of responsibility, as well as future thinking.
- 3.2 The Committee may take the opportunity to pick up on related issues, for example how Fly Tipping relates to work on Litter and Community Cleansing. The Committee had a focussed session on Litter and Community Cleansing in September 2021 and can follow up on views shared with the then Cabinet Member, Mark Thomas. The Committee letter sent following that meeting and the response that was provided is **attached**. Councillors will be interested in whether there are any changes in the way the Council approaches Fly Tipping or wider litter and cleansing issues since last year. There is also some interest amongst the Committee in asking about the efficacy of this year's weed treatment, and issues around graffiti.
- 3.3 In terms of themes that cut across all cabinet portfolios, the Committee can ask Cabinet Members about:
- Well-being of Future Generations Act – impact on their work / decisions e.g., what they are doing to achieve the well-being goals and ways of working, e.g., focus on long-term thinking, collaboration / involvement etc. (including regional / collaborative working, service user / public engagement)
 - Links to poverty reduction, reducing inequalities, including socio-economic disadvantage
 - Links to the Council's Recovery and Transformation Plan, 'Swansea Achieving Better Together'
 - Links to the Public Services Board (PSB)

3.4 Links to Policy Commitments 2022-2027:

- Communities: Swansea Council will ensure the availability of dedicated resources to tackle weeds, litter and minor works in every community; recruiting local ward operatives.
- 100 days target: Swansea Council commit to installing new bins and to replace dog waste bins with larger general bins.

3.5 The Committee also invites members of the public and other scrutiny councillors (not on the Committee) to suggest questions that the Committee should ask. It is up to the Committee how to deal with any suggested questions within the session.

3.6 Following each session the Chair will write to Cabinet Members in order to capture the main issues discussed, views expressed by the Committee, and any actions for them to consider.

3.7 If the Committee wishes to conduct more detailed scrutiny of any of the issues raised during the session, then this should be agreed through the normal work planning process and planned for a future meeting. This will also allow proper time for preparation.

3.8 The Committee should note that Councillor Cyril Anderson has already been engaged in scrutiny, or is planned, of the following other matters:

- Waste / Recycling (Service Improvement & Finance Performance Panel)
- Community Growing (Committee)

4. **Next Session**

4.1 The next scheduled Scrutiny of Cabinet Member Portfolio Responsibilities, will be a session with the Cabinet Member for Service Transformation, Councillor Andrea Lewis, on Homelessness. This is being arranged for the Committee meeting on 13 December. The Committee should identify in advance any key issues that it may wish to explore so that these can be reported on and responded to.

5. **Integrated Assessment Implications**

5.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.

- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

5.1.1 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the ‘well-being goals’.

5.1.2 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

5.2 An IIA screening has been undertaken noting there are minimal impact assessment implications associated with this report (IIA can be viewed in **Appendix 1**). The work of Scrutiny is open to the public, promoted via Council media channels, and enable all citizens to ask questions, raise issues and/or input views. The public were invited to contribute to the session. The work of Scrutiny will involve examination of Council services and making recommendations for improvement to Cabinet Members (and other decision-makers). Scrutiny activities have the potential for engagement to ensure public views can feed into the Scrutiny process.

6. Legal Implications

6.1 There are no specific legal implications raised by this report.

7. Financial Implications

7.1 There are no specific financial implications raised by this report.
