#### 1. Swansea Council Volunteer Policy Development

- 1.1. A Swansea Council Volunteering Strategy Development Officer Working Group has been established to drive forward the development of a Volunteering Policy and Strategy. The Working Group is coordinated by the Tackling Poverty Service and Swansea Council for Voluntary Service.
- 1.2. The Working Group has explored current practice across departments and services and has reviewed best practice volunteering policy in Wales. It has been identified that development of a Swansea Council Volunteer Policy would establish consistent approaches and practice across the organisation.
- 1.3. A Swansea Council Volunteer Policy would set out consistent principles and practice by which volunteers are involved across the organisation. The policy would aim to create a common understanding and definition of volunteering and clarify roles and responsibilities to ensure the highest standards are maintained in relation to the management of volunteers whilst also recognising the importance of volunteers to Swansea Council.
- 1.4. An example of a good practice Volunteer Policy is attached at **Appendix A**. This example policy takes account of best practice as identified by Third Sector Support Wales and as such defines volunteering, sets out standards

and commitments to roles and responsibilities, recruitment and selection, induction and training and support and supervision.

- 1.5. Development of a Swansea Council Volunteer Policy would provide the context for a Swansea Council Volunteering Strategy.

## **2. Considerations**

- 2.1 The development and implementation of a Swansea Council Volunteer Policy that adheres to best practice would require consideration of the following:

- Development of a Corporate Volunteer Handbook and Tool Kit for Volunteer Management.
- Commitment of staff resources.
- Commitment of financial resources.

## **3. Next Steps**

- 3.1 A further call to any services involved with volunteers via Staffnet to engage with the Working Group and support engagement with their volunteers.
- 3.2 Engaging current volunteers to undertake experience mapping and ongoing engagement and coproduction.

## **4. Integrated Assessment Implications**

- 4.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:
  - Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
  - Advance equality of opportunity between people who share a protected characteristic and those who do not.
  - Foster good relations between people who share a protected characteristic and those who do not.
  - Deliver better outcomes for those people who experience socio-economic disadvantage
  - Consider opportunities for people to use the Welsh language
  - Treat the Welsh language no less favourably than English.
  - Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.
- 4.2 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

- 4.3 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.
- 4.4 An Integrated Impact Screening has been completed for this report with no further assessment required (See Appendix B). This is an IIA Screening for the 'For Information' Report to the Safeguarding People and Tackling Poverty Corporate Delivery Committee regarding consideration of a good practice Volunteer Policy. The report is to inform of the context of an example policy and next steps. A full IIA will be carried out as part of the policy / strategy development process in due course.

## **5. Legal Implications**

- 5.1 There are no legal implications.

## **6. Financial Implications**

- 6.1 Whilst there are no direct financial implications arising from this report, it may lead to decisions being taken at a later date that may have costs attached, e.g. volunteer expenses. Any such costs will need to be managed within departmental resources at that time with due regard to the Council's medium term financial plan.
