**Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches?
Please provide details below – either of your activities or your reasons for not undertaking involvement**

It is proposed that those schools that have had social communication training will be offered £14,000 each to enable them to enhance facilities to enable them support pupils with autism and other needs, for example with nurture/sensory rooms. This will benefit 14 secondary and 74 primary schools, and would promote inclusive practice, support learning and pupil wellbeing, and is wholly aligned with the Additional Learning Needs and Education Tribunal (Wales) Act 2018.

Schools will therefore be able to target the funding as each considers appropriate.

Clwyd Primary School has and will continue to be fully engaged.

The strategy is underpinned by the STF review that has been developed in consultation with all clusters.

Yes

No

If yes, please provide details below

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The project should have a positive impact on schools, and their communities.
