Gower AONB Advisory Group – amendments to Terms of Reference

It is proposed to rename the Steering Group as the “Gower AONB Advisory Group”, to better align with the legislation.

The proposed amendments will also make the new Advisory Group responsible for appointing the stakeholder members, by introducing a more formal appointment process, focused on the suitability and ability of applicants to contribute to the work of the Advisory Group.

The changes only affect the appointments process, and are aimed at ensuring that the interest groups and communities of Gower can be represented on the Advisory Group. The Terms of Reference are part of the Councils Constitution, and therefore require a Council Report to request an amendment.

Integrated Impact Assessment Screening Form – Appendix C

Yes

No

If yes, please provide details below

Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The proposed amendments to the Terms of Reference of the Gower AONB Partnership relate to the appointment process for stakeholder members of the group, whose role is to provide advice and support for the Council in its legal duties and responsibilities with regard to the Gower AONB.

The new process is heavily based upon the model used by the Rural Development Plan for their Local Action Group. This sees the existing group advertising for interested individuals to represent interest groups and communities from within Gower AONB. Applicants are then chosen, based upon how they can represent those interest groups, and the experience they can bring to the Advisory Group.

The process may attract interest from a wider audience than have previously been involved, as the members of the Advisory Group will be able to focus on what the applicants can bring to the group, rather than how many votes they received at a public meeting.

Outcome of Screening

Q9 Please describe the outcome of your screening using the headings below:

- **Summary of impacts identified and mitigation needed (Q2)**

The proposals will affect only the appointment process used by the Gower AONB Advisory Group, and will leave its work and other processes unchanged. The aim of the appointment process will remain the same – namely the appointment of a group which represents a wide range of interest groups and communities from the Gower AONB, who will advise and support the Council in carrying out its duties and responsibilities.

- **Summary of involvement (Q3)**

The proposed amendments have been discussed with the current AONB Steering Group.

- **WFG considerations (Q4)**

The proposed amendments will contribute positively to WFG considerations, and in particular the 5 Ways of Working.

- **Any risks identified (Q5)**

The proposed amendments are believed to be very low risk.

- **Cumulative impact (Q7)**

The proposed amendments are not believed to have any cumulative impact upon the groups listed in the IIA.
