1. Introduction

1.1 One of the most important roles that scrutiny carries out is holding the Council's Cabinet to account. The Cabinet (also known as the Executive) is made up of the Leader and other councillors, appointed by the Leader, who are allocated specific portfolio responsibilities.

1.2 There are 10 Cabinet portfolios:

	Cabinet Portfolio	Cabinet Member
1	Economy, Finance & Strategy (Leader of the Council)	Cllr Rob Stewart
2	Service Transformation (Deputy Leader)	Cllr Andrea Lewis
3	Corporate Services & Performance (Deputy Leader)	Cllr David Hopkins
4	Education & Learning	Cllr Robert Smith
5	Care Services	Cllr Louise Gibbard
6	Wellbeing	Cllr Alyson Pugh
7	Environment & Infrastructure	Cllr Andrew Stevens
8	Investment, Regeneration & Tourism	Cllr Robert Francis-Davies
9	Equalities & Culture	Cllr Elliott King
10	Community (Services) Community (Support)	Cllr Cyril Anderson Cllr Hayley Gwilliam

NOTE:

- The Community Portfolio operates under a job-sharing arrangement
- Detailed breakdown of Cabinet Portfolio Responsibilities are **attached** to this report.

1.3 By acting as a 'critical friend' scrutiny has the opportunity to challenge the Cabinet and individual Cabinet Members on their actions and performance in relation to their areas of responsibilities.

1.4 Rather than a look at overall responsibilities, the Committee has agreed to focus on specific areas of interest / concern, taking into account any gaps in the overall scrutiny work programme and ensuring good coverage of scrutiny across all cabinet portfolios.

1.5 The Committee should be mindful to avoid duplication of any issue(s) which are being examined elsewhere in the Scrutiny Work Programme e.g., within Performance Panels.

2. Q & A with Leader / Cabinet Member for Economy, Finance & Strategy

- 2.1 The Leader / Cabinet Member for Economy, Finance & Strategy, Councillor Rob Stewart, will appear before the Committee to participate in a question-and-answer session.
- 2.2 Councillor Stewart has provided a report on his areas of responsibility and issues identified by the Committee to help focus the discussion and questions - see **Appendix 2**. He will be invited to make introductory remarks before taking questions from the Committee. Lead officers may also be present to assist the Committee.
- 2.3 Although having specific Cabinet portfolio responsibilities, as Leader of the Council Councillor Stewart is responsible for:
- providing political leadership to the Council
 - working with officers to lead the organisation
 - appointing the Cabinet
 - managing and leading the work of the Cabinet and chairing meetings
 - delegation of executive functions that allow the Cabinet and Officers to make decisions and manage day-to-day delivery of Council Services, in line with the Council's overall policies and budget
- 2.4 The session provides Committee members with opportunity to hold the Leader / Cabinet Member for Economy, Finance & Strategy to account for his work, actions, and challenge performance, improvement, and future thinking.

3. Approach to Questions

- 3.1 Councillor Stewart has wide ranging responsibilities which may be subject to Committee questions, but the session is planned to focus on a smaller number of key issues, e.g., relating to:
- achievement against specific Policy Commitments / Council Priorities
 - progress with the Council's Recovery & Transformation Plan
 - managing the Council's budget
- 3.2 The correspondence following last year's Q & A session with the Leader (January 2022) is **attached**, and Committee Members may wish to follow up on previous discussion.
- 3.3 In terms of themes that cut across all cabinet portfolios, the Committee can ask Cabinet Members about:
- Well-being of Future Generations Act – impact on their work / decisions e.g., what they are doing to achieve the well-being goals and ways of working, e.g., focus on long-term thinking, collaboration / involvement etc. (including regional / collaborative working, service user / public engagement)

- Links to poverty reduction, reducing inequalities, including socio-economic disadvantage
 - Links to the Council's Recovery and Transformation Plan, 'Swansea Achieving Better Together'
 - Links to the Public Services Board (PSB)
- 3.4 The Committee also invites members of the public and other scrutiny councillors (not on the Committee) to suggest questions that the Committee should ask. It is up to the Committee how to deal with any suggested questions within the session.
- 3.5 Following the session the Chair will write to Councillor Stewart to capture the main issues discussed, views expressed by the Committee, and any actions for him to consider
- 3.6 If the Committee wishes to conduct more detailed scrutiny of any of the issues raised during the session, then this should be agreed through the normal work planning process and planned for a future meeting. This will also allow proper time for preparation.
- 3.7 The Committee should note that Councillor Stewart has already been engaged in recent scrutiny, or is planned, of the following:
- Public Services Board (Scrutiny Programme Committee)
 - Covid Recovery & Investment (Scrutiny Programme Committee)
 - Budget / Budget Monitoring (Service Improvement & Finance Performance Panel)
 - Sustainable Swansea (Service Improvement & Finance Performance Panel)
 - Oracle Project Investment (Scrutiny Programme Committee)
 - City Centre Retail / Regeneration Programme & Projects (Development & Regeneration Performance Panel)
 - Delivery of Corporate Priority – Tackling Poverty (Scrutiny Programme Committee)
 - Swansea Bay City Region City Deal (regional scrutiny) – Cllr Stewart is current Chair of the City Region Joint Committee
 - South West Wales Corporate Joint Committee (regional scrutiny) - Cllr Stewart is current Chair of the Corporate Joint Committee

4. Integrated Assessment Implications

- 4.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:
- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.

- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

4.1.1 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the ‘well-being goals’.

4.1.2 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

4.2 An IIA screening has been undertaken noting there are minimal impact assessment implications associated with this report (IIA can be viewed in **Appendix 1**). The work of Scrutiny is open to the public, promoted via Council media channels, and enable all citizens to ask questions, raise issues and/or input views. The public were invited to contribute to the session. The work of Scrutiny will involve examination of Council services and making recommendations for improvement to Cabinet Members (and other decision-makers). Scrutiny activities have the potential for engagement to ensure public views can feed into the Scrutiny process.
