Integrated Impact Assessment Screening Form Yes ⊠ No If yes, please provide details below **Q7** Will this initiative result in any changes needed to the external or internal website? ⊠ No Yes If yes, please provide details below Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation? (You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.) The report highlights the positive impact the DMP has on the destination as a whole by improving quality and delivering a better visitor experience. This in turn supports the visitor economy and overall prosperity across the City and County of Swansea. By supporting the area's economic recovery and working closely with industry partners, the DMP also has a positive impact on the Council's reputation. Outcome of Screening Q9 Please describe the outcome of your screening using the headings below: Summary of impacts identified and mitigation needed (Q2) Summary of involvement (Q3) • WFG considerations (Q4) • Any risks identified (Q5) • Cumulative impact (Q7) This report is a review of the Destination Management Plan (DMP) to date, its main achievements and what is proposed moving forward. The new DMP will be informed by three key pieces of research and delivered in partnership with the private sector. The DMP has low visibility to the general public and does not require engagement from protected groups. There are no environmental, political, financial or cultural risks associated with it. The Well-being of Future Generations Act (Wales) 2015 has been fully considered in the development of the DMP, which supports its goals and objectives. The DMP has a positive impact on the destination as a whole by improving quality and delivering a better visitor experience. This in turn supports the visitor economy and overall prosperity across the City and County of Swansea. By supporting the area's economic recovery and working closely with industry partners, the DMP also has a positive impact on the Council's reputation.
