1. Introduction

1.1 Section 40 of the Local Government & Elections (Wales) Act 2021 places a duty on each Principal Council to prepare and publish a Public Participation Strategy.

2. Preparing the Strategy, Reviewing the Strategy & Consultation

2.1 In preparing the Strategy and when reviewing the Strategy, the Council must consult with local people and such other persons as it considers appropriate. The Head of Democratic Services shall work with the Consultation Coordinator to ensure that this aspect is addressed.

2.2 The Strategy must be reviewed shortly after each Local Government Election or more frequently if required.

3. What must be included in a Public Participation Strategy?

3.1 The Strategy must address:

- a) Ways of promoting awareness among local people of the Principal Council's functions.
- b) Ways of promoting awareness among local people of how to become a member of the Principal Council, and what membership entails.
- c) Ways of facilitating access for local people to information about decisions made, or to be made, by the Principal Council.
- d) Ways of promoting and facilitating processes by which local people may make representations to the Principal Council about a decision before, and after, it is made.
- e) Arrangements made, or to be made, for the purpose of the Council's duty in section 62 of the 2011 Measure (bringing views of the public to attention of overview and scrutiny committees).
- f) Ways of promoting awareness among members of the Principal Council of the benefits of using social media to communicate with local people.

3.2 The Strategy may also address how a Principal Council proposes to comply with a duty imposed by any enactment.

3.3 The Draft Public Participation Strategy is attached as **Appendix A**.

3.4 The Public Participation Strategy has been subject to a period of formal consultation during October / November 2022. The responses have been considered in compiling the final draft Strategy.

4. Integrated Assessment Implications

4.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

- 4.2 The Well-being of Future Generations (Wales) Act 2005 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.
- 4.3 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also considers other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.
- 4.4 An IIA Screening Form has been completed and no adverse implications have been noted.

5. Financial Implications

- 2.3 At Council meetings Councillors decide the Council's overall policies and set the budget each year. The Council has a Cabinet which is responsible in turn for implementing policies agreed by the Council and taking executive decisions on matters which are not the responsibility of the Council or its Committees.

2.4 How the Council Works?

- 2.5 The Council comprises 75 Councillors representing 32 Electoral Wards. Further information may be found at www.swansea.gov.uk/wardprofiles
The Council normally meets monthly and has a list of functions including adopting and changing the Constitution, approving, and adopting the Budget and Policy Framework, appointing the Leader of Council, determining, and agreeing Committees and their terms of reference.
- 2.6 Several Councillors (this can include Job Share Cabinet Members) make up the Cabinet (the Executive). The Leader of the Council is the Chair of Cabinet. The Cabinet is responsible for carrying out all the Local Authority functions which are not the responsibility of the Council. Cabinet Members are responsible for decision making within specific areas of interest, known as Cabinet Portfolios.
- 2.7 Scrutiny Committees act as a 'critical friend' to the Cabinet and other decision makers to promote better services, policies, and decisions. Working in a similar way to Parliamentary Select Committees, scrutiny involves Councillors who are not in the Cabinet.
- 2.8 The Planning Committee, Licensing Committees and Governance & Audit Committee make the Council's regulatory decisions.
- i) Planning Committee determines planning applications.
 - ii) Statutory Licensing Committee determines public entertainment licences for premises amongst others.
 - iii) General Licensing Committee determines licences to drive a hackney carriage or a private hire vehicle (taxis).
 - iv) Governance & Audit Committee reviews and scrutinises the Council's financial affairs.
 - v) Democratic Services Committee reviews the adequacy of provision by the Authority to discharge the democratic services function.
 - vi) Standards Committee seeks to promote high standards of conduct and support Councillors to comply with the Code of Conduct.

Section B. How to become a Member (Councillor) of the Principal Council, and what membership (Being a Councillor) entails.

4. How to become a Councillor

- 4.1 The next Local Government Elections will be held in May 2027. This section provides you with information on how to stand for election and what is expected of you should you be elected as a Councillor for Swansea Council.

4.2 The Welsh Local Government Association (WLGA) has produced the “Be a Councillor. Be the Change” website. This is a useful guide for prospective candidates. This may be viewed at www.beaCouncillor.wales

4.3 Swansea Council has a useful “Be a Councillor” website. This may be viewed at www.swansea.gov.uk/beaCouncillor

5. How much time does it take up to do a Councillors role?

5.1 If you are in employment and intend to stand as a candidate you may wish to ask your employer what provisions they may have in place to allow you to attend to Council business. It is estimated that on average, Councillors spend the equivalent of three to four days a week on Council business. Obviously, there are some Councillors who spend more time than this, and some less.

6. Standing as a Candidate

6.1 A candidate for election must complete a set of nomination papers that must be signed by the candidate in the presence of a witness who must attest the signature. You then need to win a majority of the votes cast at the ballot box (if there is a contest for the seat). Some electoral wards have up to 5 Councillors, therefore the top 5 would be elected.

6.2 Nomination packs will be available early in 2027. If you would like to register your interest, please contact [Electoral Services](#) on 01792 63 6123. Further useful information may be viewed at www.swansea.gov.uk/elections

6.3 If you are thinking of standing as a candidate for a particular political party, then you should first get in touch with that party’s local organisation. If you plan to stand for election as an independent Councillor, contact us and we will be pleased to give you more information.

6.4 Councillors receive a salary which is determined annually by the Independent Remuneration Panel for Wales (IRPW) and can also claim travel and subsistence costs (subsistence is paid for ‘out of county’ meals and accommodation only) when undertaking official duties. Councillors can also claim towards the costs of care and personal assistance for them to carry out their approved duties.

6.5 Further information on Councillor Salaries & allowances may be viewed at <https://gov.wales/independent-remuneration-panel-wales>

7. Support for Disabled Candidates Seeking Election

- 7.1 The Welsh Government has approved funding for a pilot scheme to fund reasonable adjustments and support for disabled candidates seeking election to the Local Government elections. Further information may be viewed at <https://www.disabilitywales.org/projects/access-to-elected-office-fund-wales/>

8. What being a Councillor entails?

- 8.1 The Council is composed of 75 Councillors who are elected every five years. Councillors are democratically accountable to residents of their electoral ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
- 8.2 Once elected Councillors are expected to attend various training and development sessions during their term of office. A Councillor Induction session is provided for all new and returning Councillors during the first 12 months in office with further training provided on an ongoing basis through member development events. Councillors should set aside time during the first 3 months after the election for the Councillor Induction Session.
- 8.3 Councillors are expected to attend meetings and committees and must observe the provisions of the Councillors Code of Conduct. Further information may be viewed at www.swansea.gov.uk/codeofconduct
- 8.4 Councillors can physically or remotely attend Council, Cabinet, and the majority of Committee Meetings. These are called Multi-Location Meetings (MLM). They can be useful for people with responsibilities such as work, caring etc., by allowing them to participate from a location convenient to them.
- 8.5 As local representatives, Councillors have responsibilities towards their constituents and local organisations. These responsibilities and duties often depend on what the Councillor wants to achieve and how much time is available and may include: attending governing body meetings of schools within their ward, attending meetings of local organisations such as tenants' associations, bodies affecting the wider community, raising issues on behalf of members of the public, holding surgeries for residents to raise issues and meeting with individual residents in their own homes.
- 8.6 Councillors are entitled to a basic salary (£16,800 per annum in 2022-2023). Senior Salaries and other allowances / expenses are paid dependant on the roles and responsibilities the Councillor may have after the election.

8.7 Councillors are also entitled to travel allowances and those with caring responsibilities can also receive a Contribution towards Costs of Care & Personal Assistance.

8.8 Further information on payments and the Independent Remuneration for Wales (IRPW) Annual Report may be viewed at <https://gov.wales/independent-remuneration-panel-wales>

9. Councillor Facilities & Support

9.1 The Democratic Services (DS) Team administers meetings of the Council, Cabinet, Committees etc., and provides a dedicated support service, providing advice on the law and practice of meetings to Councillors, Officers, and the public. The Team also help Councillors with queries and admin related requests.

9.2 Data (Broadband), ICT and Voice Communications equipment and systems are essential to enable Councillors to carry out their responsibilities effectively and securely. The Councillors ICT Allowances Policy provides Councillors with an allowance to provide Councillors with adequate telephone, email facilities and electronic access to appropriate information. Further information may be viewed at www.swansea.gov.uk/cllrsict

9.3 Councillors will also be provided with an email address in the following format cllr.firstname.surname@swansea.gov.uk which must be used when conducting Council business.
