Sex Establishment Licences are issued under the provisions of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982. The 1982 Act is adoptive and was adopted by Swansea Council in November 1983. Amended provisions of the 1982 Act were adopted in February 2011 and as a result, anyone wishing to operate a sex establishment in the Swansea Council area requires a licence. Following adoption of the legislation Council also adopted a policy on the Licensing of Sex Establishments. The most recent policy was adopted by Council on the 26th July 2018 and states that a review of the policy will be undertaken within a maximum period of 5 years. Officers have undertaken a review of the Policy and it is considered that no changes are necessary as the Policy remains relevant and fit for purpose. The existing policy was issued for consultation prior to being reported to Council for adoption.

The Policy states that the role of the Council as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with any moral standing, recognising that Parliament has made it lawful to operate this type of establishment.

The aim of the Policy is to provide guidance for prospective applicants, existing licence holders, those who may wish to object to an application and members of the Licensing Committee when determining an application.

Whilst it is clear that each application will be dealt with on its own merits, the Policy gives prospective applicants an early indication as to whether their application is likely to be granted or not.

The Policy also details the legislative controls that can be exercised over sex establishments. These include both the mandatory and discretionary grounds for refusal of a licence and attaching conditions to any licence issued.
