Preparation of a Local Economic Delivery Plan (LEDP) to complement the existing Regional Economic Delivery Plan (REDP). It will guide the implementation of the REDP in a local context and set out the Swansea-specific economic regeneration priorities and actions.

The South West Wales Regional Economic Delivery Plan is the strategic framework for economic regeneration at the regional and local level. It was adopted as Council policy in January 2022. The REDP was produced by the four local authorities in South West Wales in partnership with the Welsh Government. It sets out how we will build on our distinctive strengths and opportunities over the next ten years to develop a more prosperous and resilient South West Wales economy.

Preparation of the REDP included a thorough analysis of the evidence base on the region's economy, labour market and infrastructure to determine its strengths, weaknesses, opportunities and threats. Extensive consultation was undertaken with stakeholders across the region. Development of the plan also included consideration of national, regional and local policy context including the Wellbeing of Future Generations Act, decarbonisation and the achievement of net zero by 2050, technological and demographic change and Brexit.

**Please provide details below – either of your activities or your reasons for not undertaking involvement**

The REDP provides the strategic framework for the preparation of the Local Economic Delivery Plan. The evidence base for developing the Local Economic Delivery Plan will be drawn from the analysis and consultation undertaken for the preparation of the REDP and also the 2022 Assessment of Local Wellbeing in Swansea (which informed the Local Wellbeing Plan) and included widespread local consultation.

The REDP was prepared by the four local authorities in South West Wales in partnership with Welsh Government. In preparing the REDP, consultation took place with over 50 stakeholders from business, local authorities and Welsh Government, Universities, Further Education Colleges, leaders within the region’s Enterprise Zones and local business partnerships, and the third sector.

Consultation during the preparation of the REDP included one-to-one consultations throughout the process; discussions at county-level economic partnership boards including Regeneration Swansea, the Regional Learning and Skills Partnership, and the Economic Strategy Group of the Swansea Bay City Deal; and a stakeholder consultation workshop which took place in June 2021.

The Local Economic Delivery Plan will be produced in collaboration with Regeneration Swansea - which encompasses a broad range of economic regeneration partners from the public, private and third sector in Swansea.
