Pregnancy and maternity

Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches? Please provide details below – either of your activities or your reasons for not undertaking involvement

Co-production and engagement using a wide range of approaches are being undertaken from the start of the process to ensure that the voices of all key stakeholders - including those with lived experience of poverty and groups that are at higher risk of poverty - shape the development of the strategy from the outset. We also intend for co-production to be a continuous process and inform development of action plans arising from the refresh of the strategy.

Methods of coproduction and engagement include, but are not limited to: Forum discussions; intelligence gathered from other relevant and recent events such as the Human Rights Action Plan Development event; development of an online survey that can be self-completed or with support from other stakeholders; bespoke scheduled events across a range of venues; and maximising the network of internal and external services and partners to reach and gather a wide range of voices.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

- a) Overall does the initiative support our Corporate Plan’s Well-being Objectives when considered together?
 Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
 Yes No
- c) Does the initiative apply each of the five ways of working?
 Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
 Yes No

Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)

High risk <input type="checkbox"/>	Medium risk <input type="checkbox"/>	Low risk <input checked="" type="checkbox"/>
--	--	--

Q6 Will this initiative have an impact (however minor) on any other Council service?
 Yes No **If yes, please provide details below**

The refresh of the Tackling Poverty Strategy is a corporate strategic development and we will use existing internal forums and networks (including the Swansea Council Tackling Poverty Forum) to seek input from other Council departments and staff. We envisage that the strategic direction for tackling poverty will remain ‘everyone’s business’ and therefore we will work with senior managers and leaders to take forward this development further.

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

N/A at this stage.
