	This initiative is a Customer Charter and Service Standards as part of delivering the first goal in the Digital Strategy 2023-28. Customer Charters are considered good practice and provide a framework for communicating how the Council will meet the expectations of our residents. In addition, a Customer Charter provides clear and concise statements detailing ways by which the organisation can measure customer service levels. The Service Standards demonstrate what each front facing service within the Council will adhere to, with the timescales for dealing with a query.

	⊠ Yes	☐ No	If yes, please provide details below				
	The Charter and Standards will be adopted across the Council						
Q7	Will this initiative result in any changes needed to the external or internal website?						
	⊠ Yes	☐ No	If yes, please provide details below				

Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The cumulative impact is considered to be positive at this stage in development and the IIA will be reviewed following the consultation and engagement work.

Outcome of Screening

- Q9 Please describe the outcome of your screening using the headings below:
 - Summary of impacts identified and mitigation needed (Q2)
 - Summary of involvement (Q3)
 - WFG considerations (Q4)
 - Any risks identified (Q5)
 - Cumulative impact (Q7)

Summary of findings:

- The Customer Charter and Service Standards will have a medium positive impact across all groups as residents and businesses will know what level of service to expect when they contact the Council
- Consultation and engagement will be undertaken following discussion at the Service Transformation Committee. A survey and face-to-face meetings will be used to gather feedback and input from residents. The Service Standards are already in place, some of which are statutory, therefore changes will not be possible for some areas. As part of the process consultation and engagement will be undertaken with key stakeholders, including for example:
 - o Disability Liaison Group and Parents and Carers
 - o 50+ Network
 - Poverty Forum
 - Organisations that support Welsh Language
 - LGBT Forum

Services may also undertake their own consultation and engagement where changes are being proposed, this may include co-production where appropriate
