**Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches?
Please provide details below – either of your activities or your reasons for not undertaking involvement**

The draft SPG document will be subject to a minimum 6 week period of public consultation as soon as possible after receiving approval for such at Planning Committee. This is anticipated to be during August – October 2023. The consultation will involve a wide range of awareness raising and engagement activities, including:

- Notification emails posted to a range of stakeholders, including Councillors and Community and Town Council clerks.
- Notice on the Council website that describes the consultation and provides a link to the consultation portal. A pdf of the comment form will also be made available for those who wish to email or post.
- All materials will either be bilingual or available in Welsh as separate documents.

Comments received in response to the consultation will be collated and evaluated, and reported in a Consultation Report alongside the Council’s response and any necessary amendments to the final revised version of the SPG. The Report will be published on the website alongside the adopted SPG.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

- a) Overall does the initiative support our Corporate Plan’s Well-being Objectives when considered together?
Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
Yes No
- c) Does the initiative apply each of the five ways of working?
Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
Yes No

Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Integrated Impact Assessment Screening Form – Appendix B

Yes

No

If yes, please provide details below

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The impacts are low. The SPG will result in positive impacts in terms of ensuring the built form of existing traditional rural buildings, if converted, are protected and enhanced, ensuring the landscape character of the County's countryside is protected. Biodiversity will be protected and enhanced and the document fully embraces the Placemaking agenda, ensuring health and wellbeing is central to all development at all scales, for the benefit of all sectors/ages/profiles of the community for the benefit of current and future generations.

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- **Summary of impacts identified and mitigation needed (Q2)**
- **Summary of involvement (Q3)**
- **WFG considerations (Q4)**
- **Any risks identified (Q5)**
- **Cumulative impact (Q7)**

The IIA screening identifies low positive impacts, but many of the groups identified within Q2 will not be directly impacted upon by the SPG. The SPG seeks to facilitate community cohesion by assisting the implementation of the relevant LDP policies. The LDP policies have already been subject to EIA and are based on a comprehensive, and up to date evidence base, which has been found sound by the Planning Inspectorate. The SPG supports LDP policies by providing detailed information for planning officers and developers on the assessment of planning applications for the conversion of traditional rural buildings located within the county's defined countryside. This will ensure clear, consistent and transparent decision making.

A minimum 6 week consultation will be undertaken to provide opportunities for engagement via a range of methods. Following consultation the document will be reviewed and amended where appropriate in response to the comments received (in-line with Welsh Government planning guidance). The amended document will be presented to Planning Committee for approval to be adopted as planning guidance. Public consultation and engagement is a central element of producing planning guidance.

(NB: This summary paragraph should be used in the relevant section of corporate report)
