Notice of Motion - Commemorative Woodland

Notice of Motion from Councillors Chris Evans, Michael Locke and Sam Bennett.

We call for a report to council which can outline the delivery and maintenance of a commemorative woodland, to mark the hundred years anniversary of the cenotaph and the sacrifice that our armed forces have made in service of our country. Each person named on the Cenotaph would have a tree planted in their name, and an online record created accessed via QR code, outlining details of their life and family to ensure their names and sacrifices are not lost to history.
