The new Destination Management Plan 2023-2026 is a combined response by the Council and its private/public sector partners and sets out the strategic direction for Swansea Bay as a destination over the next 4 years.

It is based on extensive research and focuses on 4 strategic priorities to address short-term and long-term issues across the destination:

- 1. **Driving Quality:** to build on success and further enhance the destination in order to deliver a distinctive and high-quality visitor experience.
- Breaking free of seasonality: to develop creative, targeted marketing campaigns to
 enhance the area's appeal to the UK and wider world and build a stronger tourism offer
 outside the summer months.
- 3. **Encouraging Sustainability:** to nurture a more sustainable approach to tourism, both economically and environmentally, to the benefit of the environment and wellbeing of all.
- 4. **Working Partnerships:** to continue to support the private sector directly and work with our public and third sector partners in order to achieve growth and prosperity for the local economy.

Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The DMP has a positive impact on the destination as a whole by improving quality and delivering a better visitor experience, while nurturing a more sustainable approach to tourism, both economically and environmentally. This in turn supports the visitor economy and overall prosperity / wellbeing across the City and County of Swansea. By working closely with industry partners, the DMP also has a positive impact on the Council's reputation.

- Working Partnerships

The DMP has low visibility to the general public and does not require engagement from protected groups. There are no environmental, political, financial or cultural risks associated with it.

The Well-being of Future Generations Act (Wales) 2015 has been fully considered in the development of the DMP, which supports its goals and objectives.

The DMP has a positive impact on the destination as a whole by improving quality and delivering a better visitor experience, while nurturing a more sustainable approach to tourism, both economically and environmentally. This in turn supports the visitor economy and overall prosperity / wellbeing across the City and County of Swansea.
