Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches? Please provide details below – either of your activities or your reasons for not undertaking involvement

Co-productive approaches are central in supporting people with Dementia, their carers and representatives, advocates and service providers. All assessments and care and support plans are co-produced with service users, applying a person-centred strength-based approach.

The report also illustrates approaches taken to ensure a person-centred approach at all stages of people’s diagnosis and their ongoing care and support.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

- a) Overall does the initiative support our Corporate Plan’s Well-being Objectives when considered together?
 Yes No

- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
 Yes No

- c) Does the initiative apply each of the five ways of working?
 Yes No

- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
 Yes No

Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)

High risk
Medium risk
Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?
 Yes No If yes, please provide details below

Integrated Impact Assessment Screening Form

This impacts on Social Work Teams, Ageing Well team, Local Area Coordination, housing, internal care services external commissioned services e.g. care homes and other care providers.

Q7 Will this initiative result in any changes needed to the external or internal website?

Yes No **If yes, please provide details below**

Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

There is no impact for the report itself.

We recognise that Dementia impacts people and carers at different times and often when they are most vulnerable. The provision of appropriate community engagement, information, advice, assistance, early help and preventative services, assessment and diagnosis, community care and support and direct care, supports the quality of life of people living with dementia and their carers.

Outcome of Screening

Q9 Please describe the outcome of your screening using the headings below:

- **Summary of impacts identified and mitigation needed (Q2)**
- **Summary of involvement (Q3)**
- **WFG considerations (Q4)**
- **Any risks identified (Q5)**
- **Cumulative impact (Q7)**

This is an IIA Screening for a Briefing on Dementia.

The Social Care and Tackling Poverty Service Transformation Committee Scrutiny Panel is being asked to consider the report and give its views and make any recommendations to the Cabinet Member for Care Services.

The report provides an overview of the Dementia population needs analysis. Regional Dementia Care priorities, commissioned services, the work of the Older Person's Mental Health Team, the Community Memory Support Team and dementia support provided by internal services, including case studies.

The report highlights the person centred, strength-based approaches being delivered to support with dementia and their carers. There are no direct impacts identified, mitigation needed or risks identified as a result of this briefing report IIA screening.

(NB: This summary paragraph should be used in the **'Integrated Assessment Implications'** section of corporate report)
