1.0 The Meeting

1.1 The Panel, this year, has scheduled to speak to three schools about their school improvement plan. One of the schools chosen was Clydach Primary School.

1.2 The headline issues/questions for discussion sent to the school in advance of the meeting were:

- Can you outline progress with your school improvement plan including progress with Estyn recommendations and introducing the new curriculum?
- What the barriers might be to the school improving its learner outcomes further including any challenges they are experiencing?
- What the governing bodies' priorities are and how are they being addressed?
- How well you feel you have been supported by the local authority, the school improvement service and Partneriaeth.

2.0 Estyn Inspection

2.1 The schools latest Estyn Inspection is attached to this report.
