The report is intended to inform discussion and seeks to make a recommendation to the Constitution Working Group (CWG) regarding the adoption of a formal Naming Policy.

The purpose of the policy is to define the process through which Swansea Council’s buildings, facilities, and identifiable internal or external spaces are named, and the criteria against which any name should be considered to enable the council to make clear, consistent and prudent decisions.

The policy seeks to preserve maximum flexibility in the naming process so that naming opportunities can be dealt with on a case-by-case basis.

N/A

Any naming proposals will be submitted to Council via a separate and distinct report, having regard to any specific impacts (cumulative or otherwise). This report itself seeks to support the CWG in forming a view regarding adoption of the draft policy. This report therefore has no cumulative impacts which will directly relate to people / communities. It will be the naming decisions themselves that will have an impact; and will require a further IIA screening form when applicable.

### Outcome of Screening

**Q9 Please describe the outcome of your screening using the headings below:**

- **Summary of impacts identified and mitigation needed (Q2)**
- **Summary of involvement (Q3)**
- **WFG considerations (Q4)**
- **Any risks identified (Q5)**
- **Cumulative impact (Q7)**

(NB: This summary paragraph should be used in the ‘**Integrated Assessment Implications**’ section of corporate report)

The report is intended to inform discussion and seeks to make a recommendation to the Constitution Working Group regarding the adoption of a formal Naming Policy.

The purpose of the policy is to define the process through which Swansea Council’s buildings, facilities, and identifiable internal or external spaces are named, seeking to preserve maximum flexibility in the naming process so that naming opportunities can be dealt with on a case-by-case basis.

Whilst there are limited implications in terms of impacts at this stage, it will be appropriate to reconsider this screening in relation to individual cases and naming suggestions, which would likely form a separate and individual report to CWG and Council.

Under the policy, Swansea Council reserves the right to review and amend the names of any space which it has approved if information subsequently comes to light which means that the use of the name could bring the council into disrepute.
