5 City and County of Swansea Pension Fund – Audit Plan 2024.

Leanne Malough, Audit Wales presented the City and County of Swansea Pension Fund – Audit Plan 2024.

The report outlined the high level areas and approach Audit Wales would adopt during 2024 to discharge its statutory responsibilities as external auditor and to fulfil its obligations under the Code of Audit Practice to examine and certify whether the Pension Fund accounting statements were 'true and fair'.

It was added that the findings of the audit would be reported in the ISA 260 report in November 2024. It was added that the purpose of the plan was to set out the proposed work, when it would be undertaken, how much it would cost and who would undertake it.

The Committee asked questions in relation to materiality and estimated values being included in the statement of accounts.

Resolved that the contents of the report be noted.

6 City and County of Swansea - Draft Pension Fund Annual Report and Statement of Accounts 2023/24.

Jeff Dong, Deputy Chief Finance Officer / Deputy Section 151 Officer provided for approval the draft annual report & statement of accounts for the City & County of Swansea Pension Fund 2023/24.

Officers had presented a completed draft annual report & statement of accounts 2023/24 to Audit Wales to commence their audit. Audit Wales would commence their audit of the Pension Fund Draft Annual Report & Statement of Accounts 2023/24 in August 2024. Their subsequent ISA 260 report with audit opinion and audit findings would be presented to Pension Fund Committee at the conclusion of the audit in November 2024.

It was added that as the financial reporting and audit timetables return to pre- Covid timelines, inevitably more estimation and assumptions would need to be adopted when drafting the statement. Inevitably when 'actual' figures were received, they would be amended as appropriate. Audit Wales would report accordingly.

The City & County of Swansea Pension Fund Draft Annual Report & Statement of Accounts 2023/24 were attached at Appendix 1.

Staff within the Finance Department were thanked and congratulated for their work and commitment.

Resolved that the City & County of Swansea Pension Fund Draft Annual Report & Statement of Accounts 2023/24 be approved, subject to audit.

7 Admission Body Agreement Amendment.

The Deputy Chief Finance Officer / Deputy S151 Officer provided a report which sought approval of the amendment of the admission body status for Mrs Bucket in respect of another school's employees, be it by amendment or new agreement.

It was explained that Mrs Bucket had previously been admitted as an employer into the scheme in respect of its contract with Ysgol Gynradd Gymraeg Tirdeunaw and the Pension Fund Committee approved its admission in July 2023. Mrs Bucket currently undertook similar services for schools in the Rhondda Cynon Taf (RCT) and Cardiff Council areas and had entered into admission agreements with RCT Council and Cardiff Council as the requisite LGPS Administering Authorities. It was proposed that the admission agreement be granted on a closed scheme basis, to include only the named staff (approx.10) in schedule 1 of the revised or new admission agreement.

It was added that the new or amended admission agreement would require the requisite indemnity bond or sponsoring employer guarantee be secured from the sponsoring employer, Swansea Council. The Administering Authority would also undertake the appropriate risk assessment of the admitted body Mrs Bucket as part of the Admission Body Agreement.

Resolved that: -

- 1) The variation of the existing Admission Body Agreement or drafting of a new Admission Agreement for Mrs Bucket in respect of the Dylan Thomas Community School Contract, subject to completion of a satisfactory Admission Agreement (which recognises the start date of the contract) as advised by legal advisors, be approved.

- 2) The Deputy Chief Finance Officer be given delegated authority to finalise the amended / new Admission Agreement with appointed legal advisors, as outlined in the report.

8 Breaches Report.

The Deputy Chief Finance Officer / Deputy S151 Officer presented a 'for information' report which presented any breaches which had occurred in the period in accordance with the Reporting Breaches Policy.

Appendix A provided the details of breaches that had occurred since the previous Pension Fund Committee in March 2024. The details of the breaches and the actions taken by Management were noted.

9 Exclusion of the Public.

The Committee was requested to exclude the public from the meeting during consideration of the item(s) of business identified in the recommendation(s) to the report on the grounds that it / they involved the likely disclosure of exempt information as set out in the exclusion paragraph of Schedule 12A of the Local Government Act 1972, as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007 relevant to the item(s) of business set out in the report.

The Committee considered the Public Interest Test in deciding whether to exclude the public from the meeting for the items of business where the Public Interest Test was relevant as set out in the report.

Resolved that the public be excluded for the following items of business.

(Closed Session)

Controls Assurance Reports

Purpose:	To inform Pension Fund Committee of reported exceptional items contained within the internal control assurance reports of appointed fund managers/custodians.
Consultation:	Legal, Finance and Access to Services.
Report Author:	Jeff Dong
Finance Officer:	Jeff Dong
Legal Officer:	S Williams
Access to Services Officer:	N/A
For Information	

1 Background

1.1 The internal control and governance framework in which a business operates comprises the systems, work processes and culture and values by which the business directs and controls its business to provide comfort to its customers, clients and shareholders and by extension to their regulators/auditors.

1.2 Asset managers and custodians and depositaries are subject to heavy regulation from a global, EU and UK context. They are required to report on their systems of internal control which are subject to external audit and comment by suitably qualified and independent audit companies. Scope of the internal control environment and are of inspection include:

Fund accounting • Fund set-up • Security Master File • Trade ordering
Trade processing • Corporate Actions • Income • Expenses • TA activity
processing • Cash and portfolio reconciliation • Pricing • Valuation and net
asset value calculation • Hedging • Exchanges Traded Funds (ETF) •
Investment restriction monitoring Transfer Agency • Fund set up • Investor
Master set up • Distributor commission profile set up • TA transaction

processing • Application foreign exchange rates • Payments • Dividends • Cash reconciliation Investor Services Operations • Logical access • Solution delivery • Change management • Problem/Incident management • Computer Operations

- 1.3 The audit and review timetable regime differs for each asset class and geographical jurisdiction. It is noted that for the listed asset classes, the reporting cycle and reporting framework is well established. All of the listed assets are managed via the Wales Pension Partnership and this represents over 70% of City & County of Swansea Pension Fund Assets, which are managed by Russell Investments with the passive investment being managed by Blackrock. The Russell Investments System and Organisation Control Report and The Report on Controls at Blackrock placed in Operation and Tests of Operating Effectiveness in Asset Management is attached at Appendix 1 and 2 in full. There are no issues of concern.
- 1.4 However, for the private market asset classes where fund structures do not have direct investor access rights and where the required disclosures are not as regimented, the assurance framework is less well documented. Appendix 3 outlines where the fund has received control assurance reports and where alternative provisions have been made available. Where control assurance reports have been provided, Appendix 4 outlines the exceptions to the control environment identified and the management action taken. It is noted that the exceptions have been addressed appropriately by management and are recognised as such with appropriate remedial action being undertaken. The exceptions highlighted are taken seriously but do not pose direct concern for the businesses concerned or the assets under management.

2 Legal Implications

- 2.1 There are no legal implications arising from this report.

3 Financial Implications

4 Equality and Engagement Implications

- 4.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.

Agenda Item 5

Report of the Section 151 Officer

Pension Fund Committee – 11 September 2024

Breaches Report

Purpose:	The report presents any breaches which have occurred in the period in accordance with the Reporting Breaches Policy.
Report Author:	Claire Elliott
Finance Officer:	Jeff Dong
Legal Officer:	Stephanie Williams
Access to Services Officer:	N/A
For Information	

1. Introduction

1.1 The Reporting Breaches policy was adopted with effect from 9 March 2017.

1.2 The policy requires a report to be presented to the Pension Board and Pension Fund Committee on a quarterly basis, highlighting any new breaches which have arisen since the previous meeting and setting out:

- all breaches, including those reported to The Pensions Regulator and those unreported, with the associated dates
- in relation to each breach, details of what action was taken and the result of any action (where not confidential)
- any future actions for the prevention of the breach in question being repeated

1.3 Following the introduction of GDPR requirements and the requirements to report any breaches to the Information Officer and ICO, if required, it has been determined good practice and transparent to also include GDPR breaches also within this report

2. Breaches

2.1 Under the policy, breaches of the law are required to be reported to the Pensions Regulator where there is reasonable cause to believe that:

- A legal duty which is relevant to the administration of the scheme has not been, or is not being, complied with
 - The failure to comply is likely to be of material significance to the regulator in the exercise of any of its functions
- 2.2 The Breaches Report is attached at Appendix A and the following further information is provided.
- 2.3 Under the LGPS regulations, interest is paid on retirement lump sum payments if the payment is made more than one month after retirement and calculated at one per cent above the base rate on a day to day basis from the due date of payment and compounded with three-monthly rests.
- 2.4 Since the last report in June 2024, 17% of retirement lumps sums have not been paid within the benchmark (it should be noted that 100% of payments were made within 1 month when all documentation was received). The 17% of non-payment of retirement lump sums within the specified benchmark was due to the members not returning completed pension election forms within a timely manner. Communication sent to members at time of retirement has been reviewed to ensure that the importance of timely return of required documents is highlighted and reminder triggers put in place.
- 2.5 The basic objective of the General Data Protection Regulation (GDPR) is to enforce stronger data security and privacy rules among organisations when it comes to protecting an individual's personal data. The UK legislation is the Data Protection Act 2018 and mirrors many key principles of the Data Protection Act 1998. Where a breach of a member's personal data happens (a breach of personal data means that a security breach has taken place leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to personal data, transmitted, stored or otherwise processed. [GDPR Article 4(12)]), the Pension Fund (who complies with Swansea Council GDPR Principles) has an obligation to undertake a full investigation within the initial 72-hours of acknowledging a data breach. When the Fund becomes aware of a breach, the appropriate investigation takes place within the stipulated timeframe and the findings presented to the Data Breach Panel for review. The requirements presented for improved working practices by the Data Breach Panel the Fund has incorporated within the day-to-day working practices. There has been no GDPR breach since last reporting date
- 2.6 The Fund requires that employers pay employee and employer contributions to the Fund on a monthly basis and no later than the 19th of the month after which the contributions have been deducted. There has been a single instance during the reporting period where breaches have occurred. In this case, Treasury Management staff have written to the employers to request payment and provide a reminder of the responsibilities to submit on time.
- 2.7 With regards to performance data in respect of processing refunds, in most cases, the sums are quite small and the problem is locating the member / former member to process the refund, quite often they may have moved address or even passed away.

3. Integrated Impact Assessment Implications

The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage.
- Consider opportunities for people to use the Welsh language.
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to their own needs.

The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

There are no equality impact implications arising from this report.

4 Legal Implications

- 4.1 Where breaches have occurred, the legal implications are outlined in Code of Practice no.14 and GDPR legislation

5. Financial Implications

- 5.1 Minimal loss of investment income and a possible penalty charge from TPR.

Agenda Item 6

Report of the Chief Legal Officer

Pension Fund Committee – 11 September 2024

Exclusion of the Public

Purpose:	To consider whether the Public should be excluded from the following items of business.	
Policy Framework:	None.	
Consultation:	Legal.	
Recommendation(s):	It is recommended that:	
1)	The public be excluded from the meeting during consideration of the following item(s) of business on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Paragraphs listed below of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007 subject to the Public Interest Test (where appropriate) being applied.	
	Item No's.	Relevant Paragraphs in Schedule 12A
	7-9	14
Report Author:	Democratic Services	
Finance Officer:	Not Applicable	
Legal Officer:	Tracey Meredith – Chief Legal Officer (Monitoring Officer)	

1. Introduction

- 1.1 Section 100A (4) of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007, allows a Principal Council to pass a resolution excluding the public from a meeting during an item of business.
- 1.2 Such a resolution is dependant on whether it is likely, in view of the nature of the business to be transacted or the nature of the proceedings that if members of the public were present during that item there would be disclosure to them of exempt information, as defined in section 100I of the Local Government Act 1972.

2. Exclusion of the Public / Public Interest Test

- 2.1 In order to comply with the above mentioned legislation, Cabinet will be requested to exclude the public from the meeting during consideration of the item(s) of business identified in the recommendation(s) to the report on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Exclusion Paragraphs of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007.
- 2.2 Information which falls within paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended is exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
- 2.3 The specific Exclusion Paragraphs and the Public Interest Tests to be applied are listed in **Appendix A**.
- 2.4 Where paragraph 16 of the Schedule 12A applies there is no public interest test. Councillors are able to consider whether they wish to waive their legal privilege in the information, however, given that this may place the Council in a position of risk, it is not something that should be done as a matter of routine.

3. Financial Implications

- 3.1 There are no financial implications associated with this report.

4. Legal Implications

- 4.1 The legislative provisions are set out in the report.
- 4.2 Councillors must consider with regard to each item of business set out in paragraph 2 of this report the following matters:
 - 4.2.1 Whether in relation to that item of business the information is capable of being exempt information, because it falls into one of the paragraphs set out in Schedule 12A of the Local Government Act 1972 as amended and reproduced in Appendix A to this report.
 - 4.2.2 If the information does fall within one or more of paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended, the public interest test as set out in paragraph 2.2 of this report.
 - 4.2.3 If the information falls within paragraph 16 of Schedule 12A of the Local Government Act 1972 in considering whether to exclude the public members are not required to apply the public interest test but must consider whether they wish to waive their privilege in relation to that item for any reason.

Background Papers: None.

Appendices: Appendix A – Public Interest Test.

Public Interest Test

No.	Relevant Paragraphs in Schedule 12A
12	Information relating to a particular individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 12 should apply. Their view on the public interest test was that to make this information public would disclose personal data relating to an individual in contravention of the principles of the Data Protection Act. Because of this and since there did not appear to be an overwhelming public interest in requiring the disclosure of personal data they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
13	Information which is likely to reveal the identity of an individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 13 should apply. Their view on the public interest test was that the individual involved was entitled to privacy and that there was no overriding public interest which required the disclosure of the individual's identity. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
14	Information relating to the financial or business affairs of any particular person (including the authority holding that information).
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 14 should apply. Their view on the public interest test was that:</p> <ul style="list-style-type: none"> a) Whilst they were mindful of the need to ensure the transparency and accountability of public authority for decisions taken by them in relation to the spending of public money, the right of a third party to the privacy of their financial / business affairs outweighed the need for that information to be made public; or b) Disclosure of the information would give an unfair advantage to tenderers for commercial contracts. <p>This information is not affected by any other statutory provision which requires the information to be publicly registered.</p> <p>On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>

No.	Relevant Paragraphs in Schedule 12A
15	<p>Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 15 should apply. Their view on the public interest test was that whilst they are mindful of the need to ensure that transparency and accountability of public authority for decisions taken by them they were satisfied that in this case disclosure of the information would prejudice the discussion in relation to labour relations to the disadvantage of the authority and inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
16	<p>Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.</p>
	<p>No public interest test.</p>
17	<p>Information which reveals that the authority proposes: (a) To give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) To make an order or direction under any enactment.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 17 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by the public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
18	<p>Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 18 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
