Councillor A Lewis – Minute No. 17 - Welsh Government Warm Homes / Zones Arbed 2016/17 Sandfields Renewal Area Bid – Personal & Prejudicial – As Cabinet Member I gave approval for the Arbed 2016/17 bid which came retrospectively to the Committee. Cllr Lewis took no further part in discussions nor voting on this item.

Councillor R Stewart – Minute No. 18 (B1) Community Action Transformation Fund – Personal - The applicant is known to me. Cllr Stewart took no part in voting on this item.

15 **MINUTES.**

RESOLVED that the minutes of the External Funding Panel held on 3 August 2016 be approved as a correct record.

16 **ENABLE CAPITAL GRANT.**

The Principal Accountant, Social Services presented the Enable Capital Grant on behalf of the Head of Adult Services. The purpose being to approve the Enable Capital Grant from the Welsh Government and include the expenditure in the capital programme for 2016/17.

The total grant allowance of £280,349 would be allocated to Care and Repair with a mandate to continue with the Healthy Home Grant scheme which was positively evaluated after the ICF allocation of 2014/15 and practical work would include:

- Mid-level adaptations, with priority for works that assist hospital discharge, prevent falls in the home or provide targeted support for older people;
- Mid-level intervention and adaptations to the homes of older people aged over 60 who are living in their own home or privately rented accommodation.

RESOLVED that the recommendation to comply with Financial Procedure Rule No. 7 (Capital Programming and Appraisals) to commit and authorise schemes onto the capital programme be **approved**.

17 **WELSH GOVERNMENT WARM HOMES / ZONES ARBED 2016-17 SANDFIELDS RENEWAL AREA EXTERNAL FUNDING BID.**

The Community Housing Services Manager presented a report to provide details of the Bid for Welsh Government Warm Homes / Zones Arbed Funding 2016-17 for the Sandfields Renewal Area.

Arbed (Welsh for 'save') is the Welsh Government's strategic energy performance investment programme helping meet commitments to reduce climate change, help eradicate fuel poverty and boost economic development and regeneration in Wales.

The latest round of Arbed funding called 'Welsh Government Warm Homes and Warm Zones' has been announced to support local authority led area-based energy efficiency schemes, maximise the number of homes improved and lever in funding from other sources such as the Energy Company Obligation (ECO) to maximise investment.

He reported that due to a very short timeline for bid submission imposed on the Council by Welsh Government, the bid had already been submitted, after advice being sought and permissions obtained from the Director of Place, Head of Housing & Public Protection and Cabinet Member for Next Generation Services.

RESOLVED that the bid for Welsh Government Warm Homes / Zones Arbed Funding 2016-17 for Sandfields Renewal Area be **approved**.

18 **COMMUNITY ACTION TRANSFORMATION FUND.**

The Voluntary Sector Relationship Coordinator presented a report regarding the applications for the fifth round of funding of the Community Action Transformation Fund. The background and principles underlying the Fund, together with the criteria that applications should meet and what they could be used for was detailed in the report.

The Panel noted that one deferred and four new applications had been received by the closing date for the fifth round of the fund on 26 August 2016 as follows:

1. Whitehead-Ross Educating and Consulting Limited;
2. Llanrhidian Higher Community Council;
3. Parc Y Werin Bowling Association;
4. Morryston Tabernacle Congregation Building Trust – Clock;
5. Sacred Heart Mother and Toddler Group.

Third Sector Co-Ordinator discussed the summary of applications detailed in Appendix A and Appendices B1 – B5.

Members' debated the applications and asked questions of the Officer, who responded accordingly.

The Panel **AGREED** that:

1. The application submitted by Whitehead Ross Educating and Consulting Ltd be **REFUSED** due to the change of priorities within the City & County of Swansea in relation to the Youth Service as a whole;
2. The application submitted by Llanrhidian Higher Community Council be **APPROVED** to the sum of £23,800;
3. The application submitted by Parc Y Werin Bowling Association be **APPROVED** to the sum of £11,240;
4. The application submitted by Morryston Tabernacle Congregation Building Trust be **APPROVED** to the sum of £6,276;
5. The application submitted by Sacred Heart Mother and Toddler Group be **REFUSED** as it was ineligible for the Community Action Transformation Fund based on the fact there is no saving for the authority. There is no transfer of asset or service involved in the application. The applicant would be offered advice on appropriate alternative sources of funding that could be applied for.

The Panel did not discuss whether additional funding to allow for the scheduled sixth funding round and any allocation from this round over the £48,700 remaining of the original £300,000 allocated to the Community Action Transformation Fund.

19 **COASTAL RISK MANAGEMENT PROGRAMME: SWANSEA CENTRAL AREA STRATEGIC FLOOD RISK MITIGATION PROJECT APPRAISAL REPORT.**

The European & External Funding Programme Officer provided an overview to seek approval on Welsh Government (WG) Grant to support a Project Appraisal Report for the Swansea Central Area Strategic Flood Risk Mitigation Project.

WG have launched a Coastal Risk Management funding programme which provides a one off opportunity for local authorities to implement coastal flooding management projects with WG contributing 75% of the project costs. As part of this programme local authorities are expected to identify potential projects, prepare a business case and secure 25% match funding.

It would support Local Authorities in developing the necessary business case Welsh Government are providing 100% grant funding for the preparation of Project Appraisal Reports, which would include tidal monitoring work, feasibility studies and consideration of wider economic and regeneration opportunities and identify a preferred way forward to manage flooding and make a case for further investment.

RESOLVED that the External Funding Panel **endorses** the application to Welsh Government for a 100% grant to proceed with a Project Appraisal Report for the Swansea Central Area Strategic Flood Risk Mitigation Project.

The meeting ended at 3.45 pm

RESOLVED that Councillor R Francis-Davies be elected as Chair Pro Tem.

COUNCILLOR R FRANCIS-DAVIES (CHAIR PRO TEM) PRESIDED

21 DISCLOSURES OF PERSONAL AND PREJUDICIAL INTERESTS.

In accordance with the Code of Conduct adopted by the City and County of Swansea, the following interest were declared:

Councillor J A Raynor – Personal – Minute No. 25 – Future of the CATF. Friends of Dunvant Park operates in my ward and I am an associate member.

22 NEW MEDICAL AND FAMILY SUPPORT CENTRE AT MAYHILL.

The Physical Regeneration Manager presented a report which outlined the capital and revenue implications for a new Medical and Family Support Centre at Mayhill

and sought authority to progress the specified development in partnership with the Local Health Board.

Members asked questions of the Officer who responded accordingly.

RESOLVED that:

1. The project be **APPROVED**;
2. The provision of funding for the additional cost of £167k be considered in the capital budget process for 2016/2017; and
3. The provision of an update on land sale negotiation and build costs be **NOTED**.

23 **BLACKPILL FLOOD ALLEVIATION SCHEME.**

The Planned Maintenance Drainage & Coastal Management Officer, presented an update on Welsh Government Grant to support the design of Blackpill Flood Alleviation Scheme.

Members asked questions of the Officer who responded accordingly.

RESOLVED that the grant to support the design for the scheme be **ENDORSED**.

24 **TO PROVIDE AN UPDATE ON WELSH GOVERNMENT GRANT TO SUPPORT SMALL SCALE FLOOD RISK MANAGEMENT SCHEMES.**

The Planned Maintenance Drainage & Coastal Management Officer, presented an update on Welsh Government Grant to support small flood risk management schemes.

Members asked questions of the Officer who responded accordingly.

RESOLVED that the grant to support the identified schemes be **ENDORSED**.

25 **COMMUNITY ACTION TRANSFORMATION FUND.**

The Voluntary Sector Relationship Coordinator presented a report regarding the future of the Community Action Transformation Fund (CATF).

He stated that there had been five rounds of CATF, a sixth is scheduled to close to applications in March 2017. To date, the CATF has supported 17 projects and allocated a total of £298,058 to projects (budget of £300,000).

Members noted that there is no finance to continue with the CATF. There is currently £2,000 remaining of the original budget of £300,000. Should Members wish to support the scheduled 6th round of funding and/or a further extension to the Community Action Transformation Fund the budget would need to be supplemented to allow for this.

Members asked questions of the Officer who responded accordingly.

RESOLVED that the report be deferred to the next meeting.

26 **EXCLUSION OF THE PUBLIC.**

The Committee was requested to exclude the public from the meeting during the consideration of the item of business identified in the recommendations to the report on the grounds that it involved the likely disclosure of exempt information as set out in the exclusion paragraph of 12A of the Local Government Act 1972, as amended by the Local Government (Access to Information)(Variation)(Wales) Order 2007, relevant to the item of business as set out in the report.

The Committee considered the Public Interest Test in deciding to exclude the public from the meeting for the item of business where the Public Interest Test was relevant, as set out in the report.

It was **RESOLVED** that the public be excluded for the following item of business.

(CLOSED SESSION)

27 **OVERVIEW OF CURRENT AND FORTHCOMING EUROPEAN AND EXTERNAL FUNDING APPLICATIONS.**

The European & External Funding Officer presented a report that provided an update on current and planned European and other external funding applications.

Legal Officer:	Debbie Smith
Access to Services Officer	Phil Crouch

1.0 Background

- 1.1 Flying Start is one of the Welsh Government's (WG) Flagship Programmes aimed at improving outcomes for children under 4 in the identified most deprived areas with the main focus of child development.
- 1.2 Swansea's model of delivery for the Flying Start Programme has been acknowledged by Welsh Government (WG) as good practice. Flying Start settings are sited at Primary Schools ensuring the use of available space (potential surplus capacity) to establish "mini

children’s centres”. These comprise of the required Care and Social Services Inspectorate Wales (CSSIW) registered Childcare Facility; provide a base for Health Visitors and Parenting and Early Language Development provision. This has enabled co-located multi-agency teams to operate to support young children and their families in each area.

- 1.3 The Flying Start Programme in Swansea has been developed with the aspirations for 21st Century schools so that the benefits of Flying Start are maximised within Primary Schools and Community Focussed Schools. This also provides the opportunity to achieve effective transition into the Foundation Phase.
- 1.4 There have been 3 main phases to the rollout of the Flying Start Programme. The targeting for each phase has been set by Welsh Government. At the end of 2014/15 there were 2659 0-3 year olds in the Flying Start Programme in Swansea benefiting from the full range of entitlements across different settings. In 2015/16 the full approved Programme will be established benefiting approximately 2,900 0-3 year olds annually.

Additional Capital Round

- 1.5 WG has asked Local Authorities to bid for additional capital funding to help maintain the standards of provision for existing Flying Start settings. They have advised that this request does not represent a commitment that funding is available this financial year, and authorities are not invited to submit bids to increase or expand Flying Start provision at this time.
- 1.6 A bid of £186,300 for the maintenance and enhancement of existing Flying Start settings has been submitted with the following breakdown of works.

Lower Super Output Area (LSOA)	Project	Amount Requested
Castle 5, Townhill 1,3,5 Uplands 2	Seaview Flying Start – upgrade toilets and replacement shutter/s	£26,000

2.0 Equality and Engagement Implications

2.1 An Equality Impact Assessment Screening Form has been completed for the project with the outcome that a full EIA Report was not required.

2.2 However the project will have a positive impact on;

2.3 Age – provide good quality childcare places and additional services for 0-3 year olds.

2.4 Children’s Rights - In line with the Council’s commitment to the UNCRC the initiative will have a direct impact on children and young people and is designed in the best interest of children as stated in guiding principal below;

Article 3. Best interests of the child: The best interests of children must be the primary concern in making decisions that may affect them. All adults should do what is best for children. When adults make decisions, they should think about how their decisions will affect children. This particularly applies to budget, policy and law makers

2.5 All key stakeholders will be communicated with throughout the projects’ delivery.

3.0 Financial Implications

Capital

3.1 The total cost of the capital improvement works if approved is £186,300 if the bid is approved in its entirety. There is no commitment from WG that any capital will be available.

3.2 The funding relates to the period April 2016 to March 2017 and must be claimed in full by 31 March 2017 otherwise any unclaimed part of

the funding will cease to be available to the Council. The funding available has been profiled as set out in Appendix A.

Revenue

- 3.3 Flying Start revenue funding has already been committed. There will be no additional recurring revenue costs as a result of this bid.

4.0 Legal Implications

- 4.1 In line with arrangements at all other school based Flying Start settings a licence agreement is in place to ensure clarity of roles and responsibilities relating to the asset.
- 4.2 If approved, the grant offer from WG will contain conditions which are legally binding. The Council must be satisfied that it is able to comply with the same.

1. Introduction

1.1 Background, Sustainable Swansea Fit For the Future

The scale of the financial, demographic and sustainability challenge requires the Council to adopt a radically different approach to:

- *The core purpose of the Council*
- *The transformation of services and the model of delivery*
- *Greater collaboration with other councils and local organisations, community groups and residents*
- *And, above all, sustainable solutions with prevention at the heart of this*

This ambition is set out in *Sustainable Swansea – fit for the future*.

1.2 A number of Budget Principles underpin Sustainable Swansea, two of which are particularly relevant to the Community Action Fund:

- **Different Models of Delivery:** options will assess service provision (cost and outcomes) against other delivery models including: collaboration, outsourcing, partnering, community action
- **Personal Responsibility:** action is required to change behaviour and to increase the number of people and communities helping themselves as part of our approach to sustainability

1.3 Sustainable Swansea has four workstreams to achieve the desired change, one of which is **New Models of Delivery**. Part of the New Models of Delivery workstream is the **Community Action** strand. The aims of this strand are to:

- Build community capacity for self help
- Use community assets to support local action
- Increase and support voluntary sector provision
- Increase co-production

1.4 The City and County of Swansea Agreed to set aside the sum of **£300,000** to support the delivery of the aims of the Community Action strand of the Sustainable Swansea Project. In particular, funding will be aimed at proposals from community groups to:

- Develop proposals to run Council services locally and/or
- Facilitate the transfer of community assets

2. Principles Underlying the Fund

2.1 The Five underlying Principles of the fund are:

- 1) The Council will either reduce or withdraw from service provision across many current activities due to budget and hence service constraints.
- 2) The Council recognises the value of those services to the Community (either geographically or in the wider sense in terms of a user community), and wishes to encourage the continuation and development of those services through a different model delivered specifically by and through the Community.
- 3) The Council will not be able to support the cost of services going forward however delivered. (Unless they are directly commissioned or procured from the Community based provider)
- 4) The Council is willing to consider applications from interested parties who express an interest in continuing elements of service delivery which may or may not involve the use of current Council assets.
- 5) The Council will not retain any continuing liability for services or assets once transferred

3. Community Action Transformation Fund to date

3.1 There have been five rounds of Community Action Transformation funding to date, a sixth is scheduled to close to applications in March 2017. To date the CATF has;

- Had five rounds of funding
- Supported 17 projects
- Allocated a total of £298,058 to projects (budget £300,000)

A summary of successful applications is attached as **Appendix 1**

3.2 Due to the nature of the fund not all allocated funding has been claimed and/or paid to the recipients to date:

- Round 2 - 1 grant offer £5,500 - awaiting lease completion/information
- Round 3 – 1 grant offer £23,070 – awaiting lease completion/information
- Round 5 - Paperwork only recently sent to applicants – 3 grant offers £41,316

3.3 Of the supported applications a number may require future City and County of Swansea funding/support to develop the projects to fruition.

- Three of the successful applications were for feasibility studies which may result if further requests for support from the City and County of Swansea to progress or complete the projects. (although no commitment has been made from the CATF for further support)
- One grant recipient group was advised they may return to the fund after one year should further finances be required. The return would be scheduled for the 6th round and the group – Swansea Bowling Association - have expressed an intention to reapply if able.

4. Recommendation

4.1 The Panel decide the future of the Community Action Transformation Fund

- There is no finance to continue with the Community Action Transformation Fund (CATF). There is currently £2,000 remaining of the original budget of £300,000. Should members wish to support the scheduled 6th round of funding and/or a further extension to the Community Action Transformation Fund the Budget would need to be supplemented to allow for this.
- Should members decide not to, or are unable to secure funding for the scheduled sixth round of CATF funding and/or any future rounds the Fund will cease to operate, the relevant webpages will be removed and potential and returning applicants will be informed of the situation as and when appropriate.

5. Equality & Engagement Implications

5.1 Equality Impact Assessments will be undertaken as appropriate on any decisions made at the panel. An EIA screening form for the CATF is attached as Appendix 2

5.2 There is no requirement to undertake consultation on this decision. The fund was set up with no consultation and is not a statutory provision. We have been clear about the limitations of this fund throughout, and given no indication that any consultation would be carried out on any changes to the fund.

6. Financial Implications

6.1 The Community Action Transformation fund had a pot of £300,000 to distribute over the initial six scheduled rounds – Allocation over the five round to date totals £298,058, leaving a maximum £1,942 to allocate in round six/future rounds.

7. Legal Implications

7.1 The External Funding Panel is a Decision making panel as ratified by Cabinet at its meeting of 18th November 2014.

6.2 Any grant awarded will require a contract to be entered into between the applicants and the Council to which both parties will be legally bound.

Background Papers: External Funding panel Reports and minutes relating to CATF 2014-16.

The CATF supports asset transfer and can affect council departments ability to withdrawn from services or assets. The fund supports the community to undertake the services or responsibility for assets for the transitional period

Q7 HOW DID YOU SCORE?
Please tick the relevant box

MOSTLY H and/or M → **HIGH PRIORITY** → **EIA to be completed**
Please go to Section 2

MOSTLY L → **LOW PRIORITY /** → **Do not complete EIA**

NOT RELEVANT

**Please go to Q8
followed by Section 2**

Q8 If you determine that this initiative is not relevant for a full EIA report, you must provide adequate explanation below. In relation to the Council's commitment to the UNCRC, your explanation must demonstrate that the initiative is designed / planned in the best interests of children (0-18 years). For Welsh language, we must maximise positive and minimise adverse effects on the language and its use. Your explanation must also show this where appropriate.

The Community Action Transformation Fund is was established to facilitate Asset transfer of property or services the City and County of Swansea wishes / can withdraw from to save money under the Sustainable Swansea policy. The budget allocated to the fund is currently spent out – if Members choose or are unable to facilitate its replenishment the asset transfer policy will still go ahead – there may however be limitations on the groups that are proposing to take over the assets if they cannot access additional funding to progress the smooth takeover of the asset. There is some danger that if the community do not take over control of the asset or service in question it could be lost, however the assets and services in question are so diverse it is difficult to second guess the effect on the community and those with protected characteristics.

There is no requirement to undertake consultation on this decision. The fund was set up with no consultation and is not a statutory provision. We have been clear about the limitations of this fund throughout, and given no indication that any consultation would be carried out on any changes to the fund.

CATF is not in need of a full EIA since this the fund and the decision to continue with its support and the potential future applicants is unknown and at such a high level that the impacts could not be assessed. Consequently, the impacts on protected characteristics (at this level) could all be viewed as LOW impact

Agenda Item 6

Report of the Interim Head of Legal & Democratic Services

External Funding Panel – 7 December 2016

EXCLUSION OF THE PUBLIC

Purpose:	To consider whether the Public should be excluded from the following items of business.	
Policy Framework:	None.	
Reason for Decision:	To comply with legislation.	
Consultation:	Legal.	
Recommendation(s):	It is recommended that:	
1)	The public be excluded from the meeting during consideration of the following item(s) of business on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Paragraphs listed below of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007 subject to the Public Interest Test (where appropriate) being applied.	
	Item No.	Relevant Paragraphs in Schedule 12A
	7	14
Report Author:	Democratic Services	
Finance Officer:	Not Applicable	
Legal Officer:	Tracey Meredith – Interim Head of Legal & Democratic Services (Monitoring Officer)	

1. Introduction

- 1.1 Section 100A (4) of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007, allows a Principal Council to pass a resolution excluding the public from a meeting during an item of business.
- 1.2 Such a resolution is dependant on whether it is likely, in view of the nature of the business to be transacted or the nature of the proceedings that if members of the public were present during that item there would be disclosure to them of exempt information, as defined in section 100I of the Local Government Act 1972.

2. Exclusion of the Public / Public Interest Test

- 2.1 In order to comply with the above mentioned legislation, Cabinet will be requested to exclude the public from the meeting during consideration of the item(s) of business identified in the recommendation(s) to the report on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Exclusion Paragraphs of Schedule 12A of the Local Government

Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007.

- 2.2 Information which falls within paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended is exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
- 2.3 The specific Exclusion Paragraphs and the Public Interest Tests to be applied are listed in **Appendix A**.
- 2.4 Where paragraph 16 of the Schedule 12A applies there is no public interest test. Councillors are able to consider whether they wish to waive their legal privilege in the information, however, given that this may place the Council in a position of risk, it is not something that should be done as a matter of routine.

3. Financial Implications

- 3.1 There are no financial implications associated with this report.

4. Legal Implications

- 4.1 The legislative provisions are set out in the report.
- 4.2 Councillors must consider with regard to each item of business set out in paragraph 2 of this report the following matters:
 - 4.2.1 Whether in relation to that item of business the information is capable of being exempt information, because it falls into one of the paragraphs set out in Schedule 12A of the Local Government Act 1972 as amended and reproduced in Appendix A to this report.
 - 4.2.2 If the information does fall within one or more of paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended, the public interest test as set out in paragraph 2.2 of this report.
 - 4.2.3 If the information falls within paragraph 16 of Schedule 12A of the Local Government Act 1972 in considering whether to exclude the public members are not required to apply the public interest test but must consider whether they wish to waive their privilege in relation to that item for any reason.

Background Papers: None.

Appendices: Appendix A – Public Interest Test.

Public Interest Test

No.	Relevant Paragraphs in Schedule 12A
12	Information relating to a particular individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 12 should apply. His view on the public interest test was that to make this information public would disclose personal data relating to an individual in contravention of the principles of the Data Protection Act. Because of this and since there did not appear to be an overwhelming public interest in requiring the disclosure of personal data he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
13	Information which is likely to reveal the identity of an individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 13 should apply. His view on the public interest test was that the individual involved was entitled to privacy and that there was no overriding public interest which required the disclosure of the individual's identity. On that basis he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
14	Information relating to the financial or business affairs of any particular person (including the authority holding that information).
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 14 should apply. His view on the public interest test was that:</p> <p>a) Whilst he was mindful of the need to ensure the transparency and accountability of public authority for decisions taken by them in relation to the spending of public money, the right of a third party to the privacy of their financial / business affairs outweighed the need for that information to be made public; or</p> <p>b) Disclosure of the information would give an unfair advantage to tenderers for commercial contracts.</p> <p>This information is not affected by any other statutory provision which requires the information to be publicly registered.</p> <p>On that basis he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>

No.	Relevant Paragraphs in Schedule 12A
15	<p>Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 15 should apply. His view on the public interest test was that whilst he is mindful of the need to ensure that transparency and accountability of public authority for decisions taken by them he was satisfied that in this case disclosure of the information would prejudice the discussion in relation to labour relations to the disadvantage of the authority and inhabitants of its area. On that basis he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
16	<p>Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.</p>
	<p>No public interest test.</p>
17	<p>Information which reveals that the authority proposes: (a) To give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) To make an order or direction under any enactment.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 17 should apply. His view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by the public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
18	<p>Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 18 should apply. His view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis he felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
