1. Introduction

- 1.1 The purpose of this paper is to provide the External Funding Panel with the background regarding a Welsh Government Innovative Housing Programme (IHP). The IHP will run in 2 phases over 17/18 and 18/19. Due to a very short timeline for bid submission imposed on the council by Welsh Government, the Phase 1 bid has already been submitted, after advice being sought and permissions obtained from Director of Place, Head of Housing and Public Protection and Cabinet Member of Housing, Building Services and Energy to submit the bid.

2. Background

- 2.1 WG announced the launch of the Innovative Housing Programme (IHP) in February 2017. The programme which will initially be funded by £20m over the next two years, will contribute to the 20,000 affordable homes target the Welsh Government aims to provide over the term of government. The innovative homes, which will help to significantly reduce or eliminate fuel bills, will inform the Welsh Government about the type of homes it should support in the future
- 2.2 The application process and timescales were announced in August 2017, with a closing date for submission of bids for year 1 on 15 September. It is likely that the bidding process for Phase 2 will commence before the end of 2017/18.

3. Bids

- 3.1. A bid for the first Council direct build passivhaus scheme at Colliers Way was submitted by the deadline of 15 September 2017.
- 3.2 Welsh Government has indicated that the application process for Phase 2 will commence before the end of 2017-18. A bid for the second Council new build scheme at Parc Y Helyg will be submitted in accordance with the WG deadline.

4. Equality and Engagement Implications

- 4.1 An Equality Impact Assessment (EIA) screening tool confirms that a full EIA is not required.

5. Financial Implications

- 5.1 The cost of the scheme will be Phase 1 £2.762M and the estimated scheme cost for Phase 2 is circa £2.80M. The bid is for up to 58% of the scheme costs, plus 100% of innovation costs attributed to the innovative elements within the design. See table 1.

5.2 The HRA will fund the full scheme costs if the bids are unsuccessful

6. Legal Implications

6.1 The Housing (Wales) Act 2014 sets out the Welsh Government's vision for housing in Wales and provides the framework to assist local housing authorities in Wales to provide affordable new homes.

6.2 The Council will need to ensure that it complies with any terms and conditions attached to this Welsh Government grant funding.

Swansea Compact Funding 2018/19

Purpose:	To decide upon applications to a one-off round of funding of the Swansea Compact Fund 2018/19
Policy Framework:	Medium Term Financial Plan; Sustainable Swansea – fit for the future
Consultation:	Finance, Legal, Access to Services.
Recommendation(s):	It is recommended that: 1) Contract agreements are rolled over for 6 months of 2018/19 to the three existing organisations previously in receipt of a three year SLA 2) Members consider which of the listed applications be supported for 2018/19

1. Introduction

1.1 Background, Swansea Compact Fund

The Swansea Compact Fund is an annual open funding round to enable the transition from the Swansea Change Fund to a commissioned funding programme, with a small open round open all Third Sector groups.

During 2018, we will work with the sector and citizens to co-produce contract specifications based on need. These will be advertised on Sell 2 Wales and go through the procurement process. Contracts will be awarded to the successful Third Sector applicants measured against specific service delivery arrangements and outcomes.

2. Proposals for 2018/19

2.1 Current Procured Services

It is proposed that the three services previously procured through the Change Fund by means of a contract, be rolled over for 6 months to allow for continuity whilst the commissioning process is progressed.

The three current contracted service will be reviewed as part of the commissioning process and a further commissioned service developed based on an umbrella organisation bring together all third sector groups working with those who are recognised of having one of the nine protected characteristics defined in the Equality Act 2010.

The three current procured services are:

- Swansea Council for Voluntary Services (as the umbrella organisation for the third sector in Swansea)
- Swansea Citizens Advice Bureau (as an essential partner for independent advice and information, including Welfare Reform) The SLA is the only funding the group receives from the City & County of Swansea
- Swansea Environmental Forum (as the group was formed at the behest of the PSB to act as an umbrella group for all environmental third sector groups)

2.2 Open Funding Round

The remaining funding has been launched as an open funding round called the Compact Fund. During a consultation on the commissioning proposals the Third sector requested that decisions be made on this funding round prior to the new year. The rationale for this was that there may be changes to those in receipt of current funding in 17/18 and those groups who need to make staff changes resulting from the outcomes of funding decisions would need to offer statutory notice required prior to the commencement/or withdrawal of funding on April 1st 2018.

All applicants have to link their applications/projects or core services directly to the Swansea Councils Corporate Plan, outlining how they contribute to one of the five priorities.

Plus all applicants must:

- Be self-governing, not profit distributing, be for community/public benefit and have an appropriate signed constitution/governing document/rules.
- Have a bank account with at least two signatories in the name of the organisation applying for the grant.
- Have in place (or can show that they are actively working towards) an effective equality policy.
- Have in place (or can show that they are actively working towards) an effective green or environmental policy.
- Demonstrate sound financial management in particular for authorising and recording expenditure.
- Provide a set of their most recent financial accounts, signed as being audited or independently inspected (according to the level of the income and expenditure) or, in the case of recently formed organisations, a forecast of income and expenditure for the next year.
- Show evidence of local community support.

3. Applications

3.1 23 applications for funding in 18/19 have been received by the closing date on 18th November 2017, the total amount of funding requested equals £791,288, however there is only £146,000 available for allocation.

3.2 Applications are summarised in **Appendix A**.

4. Recommendations

4.1 The three existing agreements are extended for the three organisations previously in receipt of a three year arrangement for 6 months as the commissioning process is co-produced.

4.2 The open funding round grants are awarded following discussion on the merits of each application.

5. Equality & Engagement Implications

5.1 Equality Impact Assessments will be undertaken as appropriate on any decisions made at the panel.

5.2 Panel discussions will be required to include consideration of the equality impacts of funding applications in relation to the protected characteristics contained within the Equality Act 2010.

6. Financial Implications

6.1 Swansea Compact funding is allocated in line with budget available.

7. Legal Implications

- 7.1 The External Funding Panel is a decision making panel as ratified by Cabinet at its meeting of 18th November 2014.
- 7.2 The existing agreements with the three organisations on longer term arrangements will need to be extended and varied to incorporate the changes in service requirements, through a contract waiver.

None.

1. Introduction

- 1.1 Section 100A (4) of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007, allows a Principal Council to pass a resolution excluding the public from a meeting during an item of business.
- 1.2 Such a resolution is dependant on whether it is likely, in view of the nature of the business to be transacted or the nature of the proceedings that if members of the public were present during that item there would be disclosure to them of exempt information, as defined in section 100I of the Local Government Act 1972.

2. Exclusion of the Public / Public Interest Test

- 2.1 In order to comply with the above mentioned legislation, Cabinet will be requested to exclude the public from the meeting during consideration of the item(s) of business identified in the recommendation(s) to the report on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Exclusion Paragraphs of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007.
- 2.2 Information which falls within paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended is exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
- 2.3 The specific Exclusion Paragraphs and the Public Interest Tests to be applied are listed in **Appendix A**.
- 2.4 Where paragraph 16 of the Schedule 12A applies there is no public interest test. Councillors are able to consider whether they wish to waive their legal privilege in the information, however, given that this may place the Council in a position of risk, it is not something that should be done as a matter of routine.

3. Financial Implications

- 3.1 There are no financial implications associated with this report.

4. Legal Implications

- 4.1 The legislative provisions are set out in the report.
- 4.2 Councillors must consider with regard to each item of business set out in paragraph 2 of this report the following matters:
 - 4.2.1 Whether in relation to that item of business the information is capable of being exempt information, because it falls into one of the paragraphs set out in Schedule 12A of the Local Government Act 1972 as amended and reproduced in Appendix A to this report.
 - 4.2.2 If the information does fall within one or more of paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended, the public interest test as set out in paragraph 2.2 of this report.
 - 4.2.3 If the information falls within paragraph 16 of Schedule 12A of the Local Government Act 1972 in considering whether to exclude the public members are not required to apply the public interest test but must consider whether they wish to waive their privilege in relation to that item for any reason.

Public Interest Test

No.	Relevant Paragraphs in Schedule 12A
12	Information relating to a particular individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 12 should apply. Their view on the public interest test was that to make this information public would disclose personal data relating to an individual in contravention of the principles of the Data Protection Act. Because of this and since there did not appear to be an overwhelming public interest in requiring the disclosure of personal data they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
13	Information which is likely to reveal the identity of an individual.
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 13 should apply. Their view on the public interest test was that the individual involved was entitled to privacy and that there was no overriding public interest which required the disclosure of the individual's identity. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
14	Information relating to the financial or business affairs of any particular person (including the authority holding that information).
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 14 should apply. Their view on the public interest test was that:</p> <p>a) Whilst they were mindful of the need to ensure the transparency and accountability of public authority for decisions taken by them in relation to the spending of public money, the right of a third party to the privacy of their financial / business affairs outweighed the need for that information to be made public; or</p> <p>b) Disclosure of the information would give an unfair advantage to tenderers for commercial contracts.</p> <p>This information is not affected by any other statutory provision which requires the information to be publicly registered.</p> <p>On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>

No.	Relevant Paragraphs in Schedule 12A
15	<p>Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 15 should apply. Their view on the public interest test was that whilst they are mindful of the need to ensure that transparency and accountability of public authority for decisions taken by them they were satisfied that in this case disclosure of the information would prejudice the discussion in relation to labour relations to the disadvantage of the authority and inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
16	<p>Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.</p>
	<p>No public interest test.</p>
17	<p>Information which reveals that the authority proposes: (a) To give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) To make an order or direction under any enactment.</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 17 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by the public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
18	<p>Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime</p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 18 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
