- 1.2 Swansea Council's funding allocation is £ 138,881 revenue. The funding relates to the period 1<sup>st</sup> November 2019 to 31<sup>st</sup> March 2020.

## **2. Purpose of the funding**

- 2.1 The purpose of the funding is to enable local authorities to:
  - (i) provide a whole school approach work which will support the emotional health and wellbeing of children and young people; and
  - (ii) access for PRU staff to professional learning
- 2.2 The funding will be used to deliver training to all schools in a number of key areas in relation to Mental Health including:
  - I. Suicide and Self-harm
  - II. Bereavement
  - III. Understanding Mental Health
  - IV. Resilience framework
  - V. Intervention Training
- 2.3 An element of the funding will also be used to fund additional 250 counselling sessions to the existing contract to wipe out the current waiting list and mitigate against this happening in the future.
- 2.4 Professional Learning PRU- The expectation of this funding is to help schools meet the demands of the new National Approach to Professional Learning (NAPL) and enable investment in the elements of the model.
- 2.5 The primary purpose of the funding is creating time in schools for practitioners to make the changes to practice they need to make in advance of the realisation of the new curriculum. The funding is to be targeted at the learning required by teachers and learners to prepare them for the new curriculum.

## **3. Allocation of the funding**

- 3.1 The local authority consulted with over 50 Headteachers across Swansea to establish what the priorities were, in relation to this funding for schools.
- 3.2 The Suicide and Self-harm and Resilience training and interventions will be delivered via our current contract and provider (TCS – Therapeutic Counselling Services). The Bereavement Counselling will be delivered by

Cruse Bereavement Counselling service who are a subject specific expert and have previously delivered this training to a number of school staff.

- 3.3 As a condition of funding, the local authority will be required to provide updates on progress, which should capture the final out-turn in terms of impact and numbers of staff, children, etc receiving training, accessing interventions.

For ease and consistency of approach we will develop and issue a proforma to capture this information.

- 3.4 Professional learning PRU - the funding is to be delegated in its entirety to the PRU. The method used to determine funding at school level is calculated on FTE teacher numbers at the latest verified census point.
- 3.5 The funding is not exclusively reserved for support of teachers and leaders and is to be used to support all practitioners who support teaching and learning in classrooms including TAs/LSAs.
- 3.6 The funding should be utilised to support engagement with the regional professional learning offer, or a professional offer, for example an HEI, or to support professional learning collaboration across schools.
- 3.7 The PRU should publish their professional learning plans on a public website, outlining how they plan to support the professional learning needs of all practitioners within the Unit and report annually against those plans.

#### **4. Equality and Engagement Implications**

- 4.1 The Council is subject to the Public Sector Equality Duty (Wales) and must, in the exercise of their functions, have due regard to the need to:
