Maximum Limit of Senior Salaries Statement

The IRPW determined that all “Group A” Local Authorities are entitled to have no more than 19 Councillors in receipt of a Senior Salary. The City and County of Swansea confirms that this maximum level has not been exceeded.

Allowable Expenses and Duties Statement

The IRPW has determined that the term ‘Allowance’ is reserved for payments which are for the reimbursement of actual and allowable expenses (e.g. for Care, Subsistence and Travel) which are necessarily incurred by Councillors and Co-opted Members when conducting their duties as part of “official business”.

“Official business” is defined by the IRPW Regulations as follows:

- a) Attending a meeting the authority or any committee of the Authority or any body to which the authority makes appointments or nominations or of any committee of such a body.
- b) Attending a meeting of any association of authorities of which the Authority is a member.
- c) Attending a meeting the holding of which is authorised by the Authority or by a Committee of the Authority or by a joint Committee of the Authority and one or more other Authorities.
- d) Attending any training or development event approved by the Authority or its Executive.
- e) A duty undertaken for the purpose or in connection with the discharge of the functions of an executive within the meaning of Part II of the Local Government Act 2000, as amended.
- f) A duty undertaken in pursuance of a standing order which requires a member or members to be present when tender documents are opened.
- g) A duty undertaken in connection with the discharge of any function of the authority to inspect or authorise the inspection of premises.
- h) Any other duty approved by the authority, or any duty of class so approved, undertaken for the purpose of, or in connection with, the discharge of functions of the authority or any of its committees.

Arrangement for Payment of Salaries, Allowances and Fees Statement

Any claim made by Councillors or Co-opted Members for Care, Travel or Subsistence Allowance must be made using the appropriate claim form and supported by receipts. All claims must be submitted within 3 months of the date of which any expenses were incurred.

All payments shall be made via Payroll.

Broadband and Telephone Allowance

The Broadband and Telephone Allowance is paid to those Councillors that use Broadband and telephone in order to carry out the role and responsibilities of being a Councillor. The current amount is £25.00 per month.

In order to receive the Broadband and Telephone Allowance, a Councillor must provide evidence that they actually receive and pay for a Broadband Service. Such evidence must be provided on an annual basis.

Where a Councillor does not have Broadband at their home address they shall be paid £10 towards their Council related telephone calls per month.

The telephone element of the Broadband and Telephone Allowance will be reclaimable for each Councillor per household, however only one Councillor per household will be eligible to claim the broadband element (£15) of the Broadband and Telephone Allowance.

Should a Councillor cease to remain a Councillor, the Broadband and Telephone Allowance will cease and any Broadband and/or Telephone contract taken out by the Councillor will remain the sole responsibility of the Councillor as will any repayments.

Care Allowance

Councillors and Co-opted Members are able to claim a Care Allowance in respect of such expenses of arranging the care of children or dependants as are necessarily incurred in carrying out official business as a Councillor or Co-opted Member of that Authority providing that no payment is made:

- a) In respect of any child over the age of fifteen years or dependant unless the Councillor / Co-opted Member satisfies the Authority that the child or dependant required supervision which has caused the Councillor / Co-opted Member to incur expenses that were necessary in respect of the care of that child or dependant in the carrying out of the duties of a Councillor / Co-opted Member;
- b) To more than one Councillor / Co-opted Member of the Authority in relation to the care of the same child or dependant;
- c) Of more than one Care Allowance to a Councillor / Co-opted Member of the Authority who is unable to demonstrate to the satisfaction of the Authority that the Councillor / Co-opted Member has to make separate arrangements for the care of different children or dependants.

Further criteria on the payments may be found within the latest Independent Remuneration Panel for Wales' publication. The maximum amount which can be claimed is £403 per month.

The Care Allowance shall only be reimbursed upon the production of receipts from formal and informal carers for actual expenses incurred.

Information, Communication & Technology (ICT) Allowance

The ICT Allowance is paid to Councillors in order that they purchase or utilise ICT equipment (such as a Desk Top, Laptop PC, Printer, and Software), peripherals (such as Storage, backup facilities and ink) and third party ICT support. The Authority does not provide such support. The current amount payable is:

- Year Elected - £1,008
- Remaining Term - £800 (Receipted) over remaining 4 year term

Cabinet, at its meeting on 15 December 2011, agreed the "Councillors ICT – May 2012 and Beyond" report. The report sets out in detail the ICT Allowance.

The ICT Allowance is split so that the bulk of the Allowance is paid following an Election and the remainder is paid over the remaining term of a Councillors term of Office. This allows Councillors to purchase their ICT equipment and relevant support packages.

Cabinet, at its meeting on 25 June 2013, agreed that rather than limiting the £200 per Municipal Year, the total amount of £200 x 4 years (£800) would be available at any time during the period. Once the £800 has been expended following appropriate receipted claims, the Authority will not pay any further monies until after the next Local Government Election in 2017.

Should a Councillor cease to remain a Councillor the ICT Allowance will cease and any contract taken out by the Councillor will remain the sole responsibility of the Councillor as will any repayments.

Mobile Phone Allowance

The Mobile Phone Allowance is paid to qualifying members in order to supplement their mobile phone bills due to their increased use for Council business. Qualifying Members are Cabinet Members, Presiding Member & the Leader of the Largest Opposition Group. The current amount payable is £25 per month.

The Mobile Phone Allowance is payable from the date when the Councillor is appointed by Council / Committee to a qualifying position.

Should a Councillor cease to remain a Councillor the Mobile Phone Allowance will cease and any contract taken out by the Councillor will remain the sole responsibility of the Councillor as will any repayments.

All Councillors shall pay for their own home telephone bills and mobile phone bills. Councillors with the exception of the Qualifying Councillors (Cabinet Members, Presiding Member and Leader of Largest Opposition Group) will receive an allowance towards their mobile telephone bills.

Travel Allowance

The Travel Allowance payable in 2014-2015, as determined by the IRPW, is linked to current HM Revenue & Customs (HMRC) rates as follows:

Private motor vehicle	
Rate per Mile – Up to 10,000 miles	45p
Rate per Mile – Over 10,000 miles	25p
Passenger Supplement (per passenger per mile)	5p
Motor cycles (per mile)	24p
Pedal Cycle (per mile)	20p

Claims for Travel Allowance to reimburse travel expenses incurred by Members and Co-opted Members as part of official business will be payable on the completion of the relevant claim form. Members should always be mindful of choosing the most cost-effective method of travel.

All claims for private motor vehicle/cycle mileage must be accompanied by VAT fuel receipts. All claims for Travel Allowance should be made by the 5th day of every month.

All claims for other travel expenses (e.g. bus/taxi fares, car parking and toll charges) that are incurred by Members and Co-opted Members as part of official business, which do not form part of the Travel Allowance determined by the IRPW will also be met by the Council. All claim forms must be accompanied by appropriate tickets or receipts showing actual costs incurred.

The Council's claim form for Travel and Subsistence Allowance includes a statement that must be signed by the Member or Co-opted Member which confirms that they have not made and will not make any other claim in respect of the matter to which the claim relates.

Subsistence Allowance

Subsistence Allowance is payable for meals and accommodation costs or expenses incurred by Members and Co-opted Members as part of official business which takes place 'out-of-county' (i.e. outside of the Council's administrative boundaries).

The IRPW has determined that Subsistence Allowance at a **maximum daily rate of £28 per day** is payable in 2014-2015 for any meals within a 24-hour period (including breakfast if not included as part of any overnight accommodation costs).

The IRPW has also determined that the maximum levels of Subsistence Allowance payable for overnight accommodation are as follows:

Day Allowance	£28 per day (must be receipted)
London overnight	£150
Elsewhere overnight	£95
Overnight stay with friends / family	£25

All claims for Subsistence Allowance must be made using the appropriate claim form and must be supported by VAT receipts where available. All claims should be made by the 5th day of every month.

The Council's claim form for Travel and Subsistence Allowance includes a statement that must be signed by the Member or Co-opted Member which confirms that they have not made and will not make any other claim in respect of the matter to which the claim relates.

The Council requires that such part of a salary, allowance or fee must be repaid where payment has already been made in respect of any period during which the Member or Co-opted Member concerned:

- a) Is suspended or partially suspended from that Member's / Co-opted Member's duties or responsibilities in accordance with Part 3 of the Local Government Act 2000 or regulations made under that Act;

- b) Ceases to be a Member of the Council or Co-opted Member;
