4.0 Integrated Assessment Implications

4.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage
- Consider opportunities for people to use the Welsh language
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

4.1.1 The Well-being of Future Generations (Wales) Act 2005 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the ‘well-being goals’.

4.1.2 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.

4.2 An Integrated Impact Assessment (IIA) Screening Form has been completed with the agreed outcome that a full IIA report is not required. A copy of the form is attached at Appendix B to the report. The high impact noted for poverty/social exclusion is considered to have a positive impact in line with Council initiatives. The reviewed Policy must be issued for consultation and adopted by Council before publication. The IIA screening form will be updated following the consultation and any issues identified from the consultation will be considered.

5.0 Financial Implications

5.1 There are no financial implications associated with this report.

6.0 Legal Implications

- 6.1 It is a legal requirement that the Policy is reviewed every three years.
- 6.2 The Act, statutory guidance and statutory instruments set out requirements regarding the form and content of the Policy.
