1. Introduction

- 1.1 The production of Scrutiny Letters has become an established part of the way Scrutiny operates in Swansea. Letters from the Chair (or Conveners) allow Scrutiny to communicate directly and quickly with relevant Cabinet Members.
- 1.2 These letters are used to convey views and conclusions about particular issues discussed, and provide the opportunity to raise concerns, ask for further information, and make recommendations. This enables Scrutiny to engage with Cabinet Members on a regular and structured basis.

2. Reporting of Letters

- 2.1 All Scrutiny Letters, whether they are written by the Scrutiny Programme Committee or conveners of Panels / Working Groups, are published to ensure visibility, of the outcomes from meetings, across the Council and public.
- 2.2 The Scrutiny Programme Committee agenda also includes a copy of letters to/from Cabinet Members for its attention and discussion as required, e.g., letters relating to the work of the Committee, Working Groups, and Inquiry Panel follow ups. Letters are included when Cabinet Member responses that were awaited are received or where a Scrutiny Letter did not require a response.
- 2.3 Where requested Cabinet Members are expected to respond in writing to Scrutiny Letters within 21 calendar days. The response should indicate what action (if any) they intend to take, or have taken, as a result of the views and recommendations made.
- 2.4 Letters relating to the work of Performance Panels are part of an ongoing dialogue with Cabinet Members and are therefore reported back and monitored by each Panel. However, all Performance Panel Conveners will provide a progress report to the Committee, including summary of correspondence with Cabinet Members and outcomes.

3. Letters Log

- 3.1 This report contains a log of Scrutiny Letters produced to enable the Committee to maintain an overview of letters activity over the current 2024-25 municipal year – see **Appendix 1**. The Letters Log will show the average time taken by Cabinet Members to respond to Scrutiny letters, and the percentage of letters responded to within timescale. For comparison, during the previous year (2023/24) 68 letters were sent to Cabinet Members, of which 20 required a written response. The average time taken to respond was 22 days, with 55% responded to within the 21 days target.
- 3.2 The following letter(s) from previous Scrutiny meetings, not already reported back to the Committee, are **attached** for discussion, as necessary:

	Activity	Meeting Date	Correspondence
