1. Introduction

- 1.1 The production of scrutiny letters has become an established part of the way scrutiny operates in Swansea. Letters from the chair (or conveners) allow scrutiny to communicate directly and quickly with relevant cabinet members.
- 1.2 These letters are used to convey views and conclusions about particular issues discussed and provide the opportunity to raise concerns, ask for further information, and make recommendations. This enables scrutiny to engage with Cabinet Members on a regular and structured basis.

2. Reporting of Letters

2.1 All scrutiny letters, whether they are written by the Programme Committee or conveners of panels / working groups, are published on the Council's website (<u>http://swansea.gov.uk/scrutinypublications</u>) to ensure visibility, of the outcomes from meetings, across the council and public.

- 2.2 The Scrutiny Programme Committee agenda also includes a copy of letters to/from Cabinet Members where specific discussion is required. Letters are included where cabinet member responses were awaited and have now been received or where a scrutiny letter did not require a response.
- 2.3 Letters relating to the work of Performance Panels are part of an ongoing dialogue with Cabinet Members and are therefore reported back and monitored by each Panel. The exception to this is the Public Services Board Scrutiny Performance Panel, whose letters will be reported as this committee is the designated committee for scrutinising Swansea Public Services Board (for the purposes of the Well-being of Future Generations (Wales) Act 2015). However all Performance Panel conveners will provide a quarterly progress report to the committee, including summary of correspondence with Cabinet Members and outcomes.
