#### 1. Introduction

- 1.1 There are five Performance Panels established by the committee. Whilst the work of Inquiry Panels leads to the production of a final report with conclusions and recommendations for cabinet based on evidence gathered on a specific issue, the work of Performance Panels represent regular monitoring of particular services.
- 1.2 Performance Panels are expected to have on-going correspondence with relevant cabinet members in order to share views and recommendations, arising from monitoring activities, about services.
- 1.3 The committee is responsible for managing the overall work of scrutiny and its effectiveness. Performance Panels Conveners will therefore provide a regular progress report to the committee to enable:
  - a discussion on the work of each Panel, achievements, effectiveness and impact
  - the committee to consider any issues arising from Panel activities which may have an impact on the overall scrutiny work programme
  - awareness amongst the committee as well as visibility across the council and public.

1.4 This report is about the following Performance Panel:

a) Public Services Board

To focus the discussion a short written report has been provided by the convener of the Panel, and is attached. This includes a summary of Panel activities, correspondence between the Panel and Cabinet Members, proposals made and impact. NB - The Committee should note that it is the designated committee for scrutinising Swansea Public Services Board (for the purposes of the Well-being of Future Generations (Wales) Act 2015).
