1. Introduction

1.1 One of the most important roles that scrutiny carries out is holding the council's cabinet to account. The cabinet is made up of the Leader and 9 additional councillors, appointed by the Leader, who are allocated specific responsibilities:

Cllr Rob Stewart	- Economy & Strategy (Leader)
Cllr Clive Lloyd	- Service Transformation & Business Operations (Deputy Leader)
Cllr Jennifer Raynor	- Children, Education & Lifelong Learning
Cllr David Hopkins	- Commercial Opportunities & Innovation

Cllr Robert Francis-Davies	- Culture, Tourism & Major Projects
Cllr Mark Thomas	- Environment Services
Cllr June Burtonshaw /	- Future Generations
Cllr Mary Sherwood	
Cllr Mark Child	- Health & Wellbeing
Cllr Andrea Lewis	- Housing, Energy & Building Services
Cllr Will Evans	- Stronger Communities

1.2 By acting as a 'critical friend' scrutiny has the opportunity to challenge the cabinet and individual cabinet members on their actions and monitor performance in relation to their areas of responsibilities.

1.3 Cabinet Member Question Sessions have become a main feature of Committee meetings. At least one cabinet member is scheduled to appear at each monthly Committee meeting, ensuring all Cabinet Members appear before the Committee over the course of a year, in order to ask questions on their work. Questions will focus on their priorities, actions, achievements and impact.

3. Approach to Questions

3.1 At the Cabinet Member Question Sessions the Committee will generally ask cabinet members about:

- priorities / objectives
- specific activities and achievements, progress against policy commitments, key decisions taken, and impact / difference made
- headlines on the performance of services and the key targets monitored to measure improvement and success
- their engagement with service users / public and what influence this has had
- what they hope to achieve over the coming months and challenges (e.g. resources / budget)
- key decisions they are expecting to take to Cabinet over the next year
- interactions with scrutiny over the last year, and whether there is any specific scrutiny activity they would welcome

3.2 The Committee will also be interested in:

- Sustainability and future trends - to what extent long-term thinking is influencing work / decisions, in light of the Well-being of Future Generations Act?
- Public Services Board (PSB) – what is their relationship with the work of the PSB? how is the work of the PSB impacting on their portfolio and helping them to deliver on priorities, and making a difference?

3.3 Cabinet Members will be invited to make introductory remarks before taking questions from the Committee. Following the session the chair will write to the Cabinet Member in order to capture the main issues discussed, views expressed by the Committee, and any actions for the Cabinet Member to consider.

3.4 If the Committee wishes to conduct more detailed scrutiny of any of the issues raised during this item then this should be agreed through the normal work planning process and planned for a future meeting. This will also allow proper time for preparation.
