Consultation - Draft Well-being Plan 2018 – Swansea Public Service Board

The following has been copied from the Swansea Council website:

“Swansea Public Services Board is a partnership of public service agencies who work together to improve local services. The four statutory members of the Board are Abertawe Bro Morgannwg University Health Board, Natural Resources Wales, the Fire and Rescue Service and the Council. The Board also involves other organisations that have an interest in the wellbeing of the area for example the police and the universities. Support is provided by the City and County of Swansea. Every local council area in Wales is legally required to have a Public Services Board (PSB) whose purpose is to work collectively to improve local social, economic, environmental and cultural well-being. This requirement is set out in the Well-being of Future Generations (Wales) Act 2015.

Each PSB is required to carry out an Assessment of Well-being to understand current levels of well-being and what matters most to local communities and to produce a Local Well-being Plan in order to improve well-being.

In 2016, Swansea's Public Services Board (PSB) started a conversation about well-being in the local area. Our Assessment of Local Well-being (published in March 2017) told us that Swansea is a great place to live but that we need to work harder together to make sure everyone can live well, benefit from and be proud of Swansea.

Swansea's draft Local Well-being Plan is now out for consultation. Using information from the Assessment and by listening to people, we have developed a draft Local Well-being Plan which is designed to improve well-being in the local area. But we need your views to make sure we've got it right for Swansea.

There are many ways you can discuss the plan with us or give us your views. You can complete the online survey between the 21 Nov 2017 and 13 Feb 2018, or attend one of the workshops, forums and events around Swansea hosted by the Partnership. Further details of these events will be posted on this page.

The PSB will use all the information gathered over the consultation to develop the final Local Well-being Plan. The final plan will be published by 4 May 2018.”
