<b>For Information</b>	

#### 1. Introduction

- 1.1 Every year Council requires that an annual report is produced for the work of scrutiny for the previous municipal year.
- 1.2 The Scrutiny Annual Report is used to:
  - Highlight the work carried out by scrutiny
  - Show how scrutiny has made a difference
  - Support continuous improvement for the scrutiny function
- 1.3 For the seventh year the report is being produced as a simple scorecard. This approach is intended to highlight a small number of key indicators that illustrate four performance questions. These questions, which are intended to reflect a 'results based' approach, are:
  - How much scrutiny did we do?
  - How well did we do?
  - How much did scrutiny affect the business of the Council?
  - What were the outcomes of scrutiny?

- 1.4 Charts have been added that show comparative data with previous years where available. Arrows on the main scorecard have also been added to indicate the direction of change for each measure.
- 1.5 The annual report was agreed by the Scrutiny Programme Committee on 8 October 2018.
- 1.6 Any comment made by Council will be considered by the Committee to inform future annual reports.

## **2. Financial Implications**

- 2.1. There are no specific financial implications raised by this report.

## **3. Legal Implications**

- 3.1. The Council Constitution requires that a scrutiny annual report is produced each year although the style and content of the annual report is not prescribed.

## **4. Equality and Engagement Implications**

- 4.1 There are no equality and engagement implications associated with the report.
