1. Background

1. Background

- 1.1 The Complaints Team is responsible for the central recording and control of all complaints received in respect of the services delivered by the Authority.
- 1.2 There are two complaints procedures; one for Social Services complaints and another for complaints for all other service areas (known as Corporate Complaints).

- 1.3 Each of these complaints procedures has its own policy; whilst the processes are similar, there are a number of statutory differences (mainly to do with timescales) making two separate policies a necessity.
- 1.4 In addition to its responsibilities for administering complaints, the team is also responsible for central control of requests for information received under the Freedom of Information Act (FOI), Subject Access requests made under the Data Protection Act (SAR) and investigations required to be carried out under the Regulation of Investigatory Powers (RIPA).
- 1.5 The Complaints Team provides a Corporate Complaints Annual Report to Cabinet on its activities for the previous financial year. Appended to this report are 3 further reports in respect of the team's other responsibilities as follows:
- Corporate Complaints Statistics for Annual Report 2017/18
 - Freedom of Information Annual Report 2017/18
