**3. Guiding Principles**

3.1 When determining membership / conveners or agreeing any changes there are some key considerations for the Committee:

- It is necessary for more than one political group to be represented on each panel / working group.
- These bodies also need to be of a manageable size in terms of team working and effective questioning.
- To ensure that all political groups have opportunities and are engaged.
- Good scrutiny practice places emphasis on respect for minority party wishes around both chairing of such bodies and the work programme.
- Being fair and balanced in the appointment of conveners, when there is interest from more than one councillor, e.g. giving opportunity to those who have not acted as convener previously.
- The Committee should reflect on the existing 'balance' of conveners to help inform future appointments.
- A minimum of three members should be present at all meetings.
