## 1. Introduction

- 1.1 There are six Performance Panels which have been established by the Committee. Whilst the work of an Inquiry Panel leads to the production of a final report with conclusions and recommendations for Cabinet based on evidence gathered on a specific issue, the work of a Performance Panel represents regular monitoring of, and challenge to, particular services / service areas and issues.
- 1.2 Performance Panels are expected to have on-going correspondence with relevant cabinet / lead members in order to share views and recommendations, arising from monitoring activities, about the performance of services and service delivery.

- 1.3 The Committee is responsible for managing the overall work of scrutiny and its effectiveness. Performance Panels Conveners will therefore provide a regular progress report to the Committee to enable:
  - a discussion on the work of each Panel, achievements, effectiveness and impact
  - the Committee to consider any issues arising from Panel activities which may have an impact on the overall scrutiny work programme
  - awareness amongst the Committee as well as visibility across the council and public.
- 1.4 This report is about the following Performance Panel:
  - a) Development & Regeneration this updates on work carried out since the start of the municipal year.

To focus the discussion a short written report has been provided by the convener, and is *attached*. This includes a summary of Panel activities, correspondence between the Panel and relevant Cabinet Members, recommendations and impact.
