

## SBCD COMMUNICATIONS AND ENGAGEMENT SCHEDULE 2021/2022

Updated January 2022

### Introduction

The communications and engagement schedule set out below is based on estimated SBCD portfolio and programme/project key milestones in FY 2021/2022. This communications and engagement schedule will be guided by:

- The SBCD communications, marketing and engagement plan as endorsed by the SBCD Programme/Portfolio Board on November 26, 2020. The communications, marketing and engagement plan will be refined and updated throughout 2021/2022 as the portfolio's programmes and projects move into delivery.
- The SBCD business engagement Framework and Plan deferred by Programme Board until the SQW regional framework is approved and the situation regarding Corporate Joint committees is clearer.

Additional activities may also arise from:

- the programme/project communications and engagement sub-groups (referred to in the schedule)
- the SBCD Economic Strategy Board, Programme Board or Joint Committee
- The PoMO in response to media, business or stakeholder enquiries.

As part of the communication schedule, wherever possible key milestone announcements will be followed-up with endorsements from business and community leaders, helping generate further positive media coverage and bilingual social media reach for the SBCD portfolio.

Where appropriate, content for the media and social media will include video footage, further bringing the SBCD portfolio to life. This will include animated images, drone footage, fly-throughs, interviews and other visually compelling content.

Some of the proposed engagement activities are dependent on the easing of restrictions related to Covid-19. Alternative, innovative digital events will be planned in their place if face-to-face engagement is not possible.

All written content based on key milestones will be uploaded bilingually to the SBCD website, which was updated in Q4 2020/2021.

Business engagement will consist will focus on:

- Supporting programmes/projects through the procurement phase i.e. meet the buyer, supply chain development and community benefits activities
- providing projects with pre- and post- delivery support
- supporting the ESB with regional initiatives
- responding to business enquiries
- Promoting the SBCD at events and stakeholder meetings
