Collectively the suite of broad interventions available within the placemaking programme are intended to contribute positively to the implementation of the regeneration agenda, increasing investment in the City and contributing to a more vibrant City with an enhanced environment for the public.

## Outcome of Screening

**Q8** Please describe the outcome of your screening below:

- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)
- WFG considerations (Q4)
- Any risks identified (Q5)
- Cumulative impact (Q7)

Most of the placemaking interventions for 2021/22 are awards of grant to private property owners where the grant is focussed on supporting the provision of additional residential units or enhanced commercial floorspace and facades.

The only council scheme identified in year is for the enhancements to Swansea Market. These enhancements were covered in a full IIA carried out by the City Centre management team.

Following consideration of the responses to Q2-Q7 I am of the opinion that a full IIA report is not required for the Placemaking Programme.
