			Staffing resources do not allow for review of 60 day report each month, but time is planned to be spent to review unpaid invoices wherever possible to try to reduce RW debt. Relevant notes will be added to the invoice on the AR system. Noted that this item has been classed as HR, but that procedures are already in place for AR team to refer debts for write-off and to Legal. There is shared corporate responsibility for trying to increase debt recovery and this does not all sit within Public Health.
