OGC Gateway Process	Gate U Programme Strategic Assessment	SKU, PB, POMU, JC																					x						PCC as SRO are leading the pre Gateway review proforms drafting. PDM Partners are updating the 5 cases in the form of brief addendum. PDM partners have requested PMO provide the narrative for the management case that applies to all SBCD projects for inclusion All these are dependencies of Gateway Review. as such we can't say that the dates are achievable, especially if any changes to the business case need to go through City Deal class and control of the properties of the properties of the properties of the properties of the are all delinering plate regorders argicles, which are all considered to be port Cast 3. These have not been agreed with lan Williams but are being progressed and we can update when certainty on the dependencies are further advanced.
