Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

Integrated Impact Assessment Screening Form

The report highlights the positive impacts of the tackling poverty grants outlined within the report during the 2022/23 financial year. The grants administered have had a direct positive impact on people experiencing hardship and or vulnerable people within communities in Swansea. The grant application process allows for local organsiations groups and services to meet local needs through their work and engagement with the people and communities. The grants support further development of projects and the ability to respond to changes in demand such as the impacts of the cost of living crisis.

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)
