Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes No **If yes, please provide details below**

Direct Payments are a mechanism for individuals with assessed care and support needs having voice, choice and control to meet their personal well-being outcomes. This person-led approach reduces the impact on Council led and Council commissioned services. Although the support and administration of Direct Payments is managed by Adult Social Services and the financial assessments and payments are managed by the Social Care Income and Finance team in Revenues and Benefits.

Q7 Will this initiative result in any changes needed to the external or internal website?

Yes No **If yes, please provide details below**

Q8 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

There is no impact for the report itself.

Recommendations made by the committee to inform future activity may require further investigation through the IIA process which would be actioned at the appropriate time.
