# CUSTOMER CHARTER & SERVICE STANDARDS FRAMEWORK

## Customer Charter

The Swansea Council Customer Charter, combined with our published Service Standards, provide our framework for communicating how we will meet the expectations of our residents. The framework provides clear and concise statements, detailing ways by which we can measure and monitor customer service levels.

The Service Standards explain what each front-facing service delivers. They also describe the timescales within which you can expect us to deal with your query. We are committed to ensuring that you are completely satisfied with the service you are getting in line with our Standards.
