What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely and the consider more widely.)

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The cumulative impact is considered to be positive at this stage in development and the IIA will be reviewed following the consultation and engagement work.

Outcome of Screening

05

- Q9 Please describe the outcome of your screening using the headings below:
 - Summary of impacts identified and mitigation needed (Q2)
 - Summary of involvement (Q3)
 - WFG considerations (Q4)
 - Any risks identified (Q5)
 - Cumulative impact (Q7)

Summary of findings:

- The Customer Charter and Service Standards will have a medium positive impact across all groups as residents and businesses will know what level of service to expect when they contact the Council.
- The Service Standards are already in place, some of which are statutory, therefore changes will not be possible for some areas.
- The Charter and Standards are dynamic and will be subject to change, for example, as a result of legislative or service changes. Moving forward, services may therefore also undertake their own consultation and engagement where changes are being proposed, this may include co-production where appropriate.
- A broad survey consultation has been undertaken and changes have been made to the Charter and Service Standards as a result, including:
 - o A framework to reflect the dynamic nature of services.
 - Providing access to services and information in alternative formats, e.g. large print, braille etc.

Appendix B - Integrated Impact Assessment Screening Form

- Strengthening the need for telephone and face-to-face to support online channels.
- Strengthening the timeliness of responses, especially when responding by phone.
- In addition to the survey, further views are being sought before the Charter and Standards go to Cabinet for approval on the 18th January 2024, including for example:
 - Disability Liaison Group and Parents and Carers
 - o 50+ Network
 - Poverty Forum
 - Organisations that support Welsh Language
 - o LGBT Forum
 - o Business Improvement District (BID).
- This work delivers on the Transformation and Financial Resilience well-being goal and steps in the Corporate Plan. The aim of the Charter and Standards is to provide clear guidance to residents and businesses when they access Council services
- Risks are considered to be low as Service Standards are in already in place, some of which are statutory.
- The cumulative impact is considered to be positive at this stage in development, providing a firm framework for residents and businesses accessing Council services.
