This is a 'for information' report that provides an overview of progress meeting the responsibilities of the Economic, Finance & Strategy Cabinet portfolio.

Owing to the breadth and scope of the Economy, Finance and Strategy portfolio, it is not the intention of this report to provide an update on all of the responsibilities within the portfolio, but rather to highlight key areas of significance. Progress on each of the constituent elements of the Leader's portfolio are scheduled and reported through existing scrutiny arrangements throughout the municipal year, with separate and distinct IIA screening.

This report seeks to outline notable activities and achievements in terms of ensuring the delivery of key priorities within the Economy, Finance and Strategy portfolio. This report focuses on three key areas of significance, being:

- 1. Financial Strategy
- 2. Recovery & Transformation
- 3. Progress on major projects
