		$\boxtimes$

Q6 Will this initiative have an impact (however minor) on any other Council service?

<u> </u>
----------

No No If yes, please provide details below

The Transformation programme will impact on wider council services and stakeholders. Individual projects and programmes developed under the Transformation programme will highlight these impacts via individual IIA's.

Q7 Will this initiative result in any changes needed to the external or internal website?

X Yes

If yes, please provide details below

Potentially yes, depending on any changes / innovations / expansions agreed and taken forward. If agreed, these will need to be shared both with internal staff and potential service users / members of the public. Project documentation will include a stakeholder map which identifies who and how changes can be communicated. Working with the Communication Team to identify the appropriate methods of these communication, based on the audience.

# Q8 Does the initiative involve changes to the way you process the personal data of Council staff or service users, for example the purchase of new customer management software?

🗌 Yes 🛛 🖾 No

If your answer is yes, you should also screen the initiative for any implications regarding privacy and other GDPR rights and consider whether you need to amend your entry in the Council's Information Asset Register. Please use the following link to the online screening form for a Data Protection Impact Assessment <u>https://staffnet.swansea.gov.uk/dpiascreening</u> For more about the Information Asset Register, please see <u>https://staffnet.swansea.gov.uk/informationassetregister</u>

# Q9 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The priorities of the Adult Services transformation programme are to keep people safe, develop models with communities and partner organisations which provide better early help and better preventative resources and promote and enable people to live independently for longer within their communities.

### **Outcome of Screening**

#### Q9 Please describe the outcome of your screening using the headings below:

- Summary of impacts identified and mitigation needed (Q2)
